

Ashland Conservation Commission
Draft minutes of 6/22/16

Members present:
Walter Durack
Kathleen DeWolfe
Harold Lamos

Chairperson Durack called the meeting to order at 6:36pm. The commissioners discussed the previous minutes of 5/25/16. Kathleen DeWolfe made a motion to approve minutes of 5/25/16....vote of 3-0-0. The commission reviewed the current and ongoing DES complaints/violations within Ashland and how to best alleviate this issues as they arise.

Next on the agenda is the chain of command pertaining to intent to cut and or intent to excavate. This is important so we as a commission can gain knowledge of the operations and any environmental impact from said operations.

The commission discussed the Northern Pass archaeological dig within the Avery wellfield and the Currier property abutting the wellfield.

Discussion of new DES complaints/investigations closed out the meeting, most of which pertained to new dock construction on little squam. Motion to adjourn made by Harold Lamos at 8:40pm....vote of 3-0-0.
