An advisory entity, a Heritage Commission is for the proper recognition, use, and protection of resources, tangible or intangible, primarily man made, that are valued for their historical, cultural, aesthetic, or community significance within their natural, built or cultural contexts.

Powers and duties of a heritage commission include:

1. To advise and assist other local boards and commissions on matters related to historic resources;
2. To work in tandem with the Ashland Historical Society to survey and inventory historic resources;
3. To assist the Planning Board in writing or updating the historic and cultural resources chapter in the Master Plan;

5. To assist in coordinating and fundraising for cultural events for the Town.

Upon approval of this article the present Ashland Historic Commission, which was established in 1970 for the limited purpose of taking responsibility for the Whipple House, will be terminated and the duties and functions of that Commission will be assumed by the Heritage Commission.
