IV. TAX ANTICIPATION NOTE/LINE OF CREDIT –

a. Town Administrator Smith reaffirmed to the Board that our property assessment revaluation for 2018 is behind schedule and caused a delay setting the tax rate. Not being able to set the tax rate also delays tax bills being sent out, which has a compound effect on tax collection payments to the Trustees of the Trust Funds, School District, and Grafton County. To prepare for the payments and potential of having a cash flow shortfall, Finance and Treasurer recommended an application with the bank
for a Tax Anticipated Note/Line of Credit, just in case. TA Smith mentioned the full $1,000,000 would not be taken at once, instead on a needed basis, the amount is a max, and expectations are the line would be amortized by the end of January 2019 – after all the tax bills are received.
