

Fuel Assistance

The Fuel Assistance Program provides benefits to qualified New Hampshire households to assist with heating costs. Assistance benefits are a grant that do not have to be paid back and can range from \$210 to \$1,575, depending on the households gross income and energy costs. Benefits are calculated taking into account gross household income, energy costs, type of fuel, number of household members and housing type.

Income Guidelines for Fuel Assistance

Household Size	1	2	3	4	5	6	7	8
30 Day Gross Income	\$2,810	\$3,674	\$4,538	\$5,403	\$6,267	\$7,132	\$7,294	\$7,456

Electric Assistance

The New Hampshire Electric Assistance Program (EAP) gives eligible customers a discount for the first 750 kWh on their monthly electric bills. The discount can range from 8%-76%. The electric assistance program calculates the benefit based on your gross household income size and electricity usage. Our participating vendors are: Eversource Energy, Liberty Utilities and New Hampshire Electric Cooperative.

*** Please contact your local Outreach Office for income guidelines for electric. ***
