Warrant Article 2020 & Historic School Purchase

- We had a lengthy discussion regarding the purchase of the Historic School and other related financial issues.
  - We reviewed the list of relevant building expenses that Regan Pride provided, approximately $15,000 annually. Expenses include electricity, water, sewer, heat and expenses related to elevator service/inspection and security monitoring.

- After reviewing the purchase/payment options offered by TCCAP, we determined that Option #3 was the most viable for a proposed 2020 warrant article. The elements of that option include: $525,000 selling price; 1.5% interest rate; 120-month term; $4,714.05 monthly payment ($56,568.60 annual equivalent); with no balloon payment.
  - Mardean will draft the letter to the BOS outlining this preferred option, with the addition of $100,000 for renovation and furnishing, and utilizing $95,000 from our capital reserve fund and $5,000 from our Building Fund account. The letter will also include the request to meet with the BOS, to determine whether the warrant article will be by petition or submitted by the BOS and to draft the appropriate legal wording for the warrant article.

Technology Plan
- We reviewed the first draft of the Library Technology Plan, with a variety of suggested additions, formatting, and wording. We will review the draft further.

Scribner Letter re: User Fee
- After discussing the November 3, 2019, letter from the Scribner Trustees requesting us to pay an annual $10,000 user fee for use of the building, the Library Trustees decided that our response to them would be a refusal to pay the fee. Alice will draft our response to the Scribner Trustees.
