## Ashland Conservation Commission Draft Minute of April 8th 2015

## MEMBERS PRESENT:

Kathleen DeWolfe Renee Liebert Harold Lamos

Chairperson Renee Liebert called meeting to order at 6:36pm.

The Commission reviewed minutes of 2/11/15, one change was made of the term driveway to "access road". Renee Liebert made a motion to approve minutes, Kathleen DeWolfe seconded this motion, vote of 3-0-0. Next were the minutes of 3/19/15, Harold Lamos made a motion to approve, Kathleen DeWolfe seconded this motion. Vote of 2-0-1 with Renee Liebert abstaining.

The commission discussed a shoreline permit for a basement under an existent two bedroom home on squam river, after review it was deemed further investigation was needed.

Also discussed at the April 8th meeting was the NRI (natural resource inventory) for ashland, and how it should be handled. The commissioners after review decided the the current mapping is sufficient at this time, and conforms to requirements per RSA.

The covered bridge over Squam River was next on the agenda, pertaining to the application of "NO CHAR" scheduled for April 13th 2015......environmental concerned were discussed and we will monitor these concerns to insure no harm comes to the SquamRiver.

The commission has decided our "clean up" for this season shall be in this area of the covered bridge, especially the area between the bridge and the Ashland town beach.

New to the agenda was the vacancy on the commission, we will begin to search for a good candidate to fill this position. The last item on the agenda was the commission dues to the NH CONSERVATION COMMISSION......Kathleen DeWolfe made a motion to approve this expenditure, Harold Lamos seconded this motion for a vote of 3-0-0. Harold Lamos made a motion to adjourn at 8:37pm, this motion was seconded by Kathleen DeWolfe.3-0-0.
