Announcements and Notices

CC reviewed shoreland impact permits and possible building violations.

CC budget is \$1000, the same as last year.

Harold alerted the Commission about the salt loss at the department of public works due to flooding. Electric commissioners will mitigate this loss.

On October 3, 2017 at 9:45 am the SEC will be at Ashland Water and Sewer building to tour the route of the Northern Pass.

Walter shared various state mailings the Commission received news about various meetings and conferences.

The Commission discussed the water quality findings from Amanda Loud's data gathered with SLA's dissolved oxygen meter. Amanda will do salinity testing at the 3 sites and Town Hall. Amanda will send the site photos to Walter, and he will file them on the Google Drive.

Amanda Loud will attend the Source Water Committee as the Conservation Commission's representative on October 10.

Meeting adjourned at 7:40 p.m.
