

What is going on with the town clerk? I had spinal surgery, not planned, emergency. So, this has caused a big issue with my job. I cannot work per doctor's orders at this time so I am trying to the best of my ability to make things work for you. My new assistant Anne Sullivan is learning and has been to the state's class in order to help you. Holderness is helping us until May 13.

The best thing for those who have a simple renewal is to go to www.ashland.nh.gov and use the vehicle registration icon and do the online process [same with the dog registration]. Using this process will get your registration done within the week.

Further information will be forthcoming next week. Thank you for listening.
