6:39—Call to order

Jane Lyford will be doing a Betsy Ross skit on July 4th at the music booth. She came and practiced her skit and Kendall read the skit that Bob Baker will do as Paul Reveere. The logistics of their props, and timing of events was discussed.

We only had 1 volunteer at the meeting – Christine Alexander – we went over all the jobs, and she signed up for a few items. Board members discussed how they would fill in on spots that were not assigned. In discussing volunteer jobs we discussed the parade. There will be a color guard from the artillery unit of the NH National Guard, they are young and may need some guidance. Kendall also mentioned he would like a volunteer to be at the end of the parade route so that they can help direct floats, walkers, and animals where they should go.

Items needed was discussed – for the 5K race – Deb said we need to get the spray chalk still, she will order we have plenty of cups left from last year. We will also need to borrow 2 water color jugs. For the Touch a truck Tim will need a few cones and a barricade. He also asked Deb to give him contact info for some of the vehicles he did not have it for already.

Parade- we have 4 boxes of flags, plus what the legion has, the legion will have someone to pass them out.

For the field – we have trash bags, and the bands to go around left from last year, we may need batteries for the flashlights, if they are not working.
