Support of schools,	3,463 15
Highways, sidewalks and bridges,	2,183 65
Notes and interest,	3,479 75
Excess receipts,	444 15
Total,	—————\$15,865 62

An examination of the foregoing report will show that the past year has been a prosperous one for the town finances. All the different departments were kept within their appropriations except the fire department and the current expenses. Less money was spent for salaries town officers, town police, board of health, fire alarm, school supplies in both districts, and on account of highways than in the previous year.

It is necessary for the town to increase the current expense appropriation enough to meet the bills for tuitions of scholars at high schools, or about \$600. During the year, a new street, known as Spring street, was laid out and built from the highway money; 1189 yards concrete sidewalk was built, and town water and suitable closets, with sewer connection put in town hall at a cost of about \$170. All bills, including interest on the debt, have been paid, and the town debt decreased two thousand and eighty dollars and twenty-one cents (\$2080.21).

Respectfully submitted,

GEORGE F. PLUMMER,	} Selectmen	
WILLIAM BRETHRICK,		of
DANIEL C. HILL,		} Ashland.

Total,	—————\$2,139 12
Decrease of income since last year,	\$10.43

The annual report of the town water works shows a small decrease in the amount of income of \$10.43, as compared with last year. The loss of revenue from the glove shop, and the fact that there are quite a number of empty tenements in town now, fully accounts for the loss. Quite a number of new services were put in during the year and their cost charged to the maintenance account; also two blow-off pipes have been put in that were very much needed. Every effort was made to keep the system in good order and to insure a supply of clean, wholesome water, and am pleased to say no complaint as to the quality of the water was made during the year to the superintendent.

WM. BRETHRICK, Supt Water Works.

Total,	\$331 50
Appropriation exceeded,	\$81 50

To the Selectmen and Citizens of Ashland :

The time has again arrived when you expect to have reports from the several officers of the town, but we, as Firewards, have very little to say.

There have been only three fire alarms sounded this year. The first was on May 5, to a brush fire on land of J. I. Brown, near the railroad ; it was supposed to have caught from a passing train, and the Railroad paid one-half the cost of putting it out. On Jan. 2, the boys were called by the station agent to go to the wreck near Bridgewater station, to assist in saving the train which was burning, for which the Railroad has paid all the expense. Again, on Feb. 10, about 1 o'clock a. m., an alarm was pulled in from Box 59, and the firemen were called to the home of Mrs. James Bowen, which was all ablaze through the roof before any one could get there. The buildings were occupied by Mrs. Bowen, and by Mr. James W. Moore and family. The total loss was estimated to be about \$2,500, which was nearly covered by insurance. The cause of fire was thought to be a defective chimney

We have added to our service during the past year two new hydrant gates and two of the latest style of smoke protectors, also a pung sleigh. Our apparatus is in first class shape, still we feel that we ought to recommend the purchase of a set of the Eastman Deluge nozzles which are in use in most of the fire departments throughout the state, and which we believe our town ought to have, for the best is none too good for Ashland.

EARL P. HARRINGTON,	} Fire Wards.
CHAS. L. GORDON,	
CHAS. S. WOODMAN,

During the past year there have been given out from the library 6270 volumes ; 140 new volumes have been added beside a large number of public documents which have been sent from Washington, D. C.

There is a great interest manifested in regard to books by the patrons of the library, both old and young. There is great need of more shelf room of some description at the present time, and something ought to be done.

R. R. D. DEARBORN, Librarian.

# Report of Board of Education.

---

## SCHOOL DIST. No. 1.

The school year consists of thirty-six weeks; which is to be arranged during this school year so that the rest periods shall be of three weeks at Christmas time, and two weeks in April, the year closing with Friday, June 20.

General good health and good weather prevailed during the school year of which this is a report, and the attendance and attention came up to what might be reasonably expected. A new feature at the close of graduating exercises, June 20, 1901, was the exhibit at the town hall of the pupils' work. This brought to the attention of the parents that which they have largely neglected to seek for in the school room. This exhibit was the pride of the school and gave unalloyed pleasure to the citizens of the town. We enjoy the conviction that we have a set of strong grammar grade schools, and that those directly responsible for the detailed labor, in close touch with the pupils, are unremitting in their efforts to be faithful and improve their usefulness. A healthy, invigorating spirit of emulation exists among the scholars, which adds much to the success of the schools. To properly complete the required work and graduate with the honors of the school is the common ambition of all the pupils.

That some method of extending the opportunities of these schools to all the outlying schools of this town has been the desire of the Board for a long time; and we trust that some way may appear whereby every child in Ashland can have an equally good chance.

Respectfully submitted,

CHARLES H. PATTEE, President

Willis F. Hardy, Secretary.

# Report of School Board.

REPORT OF DIST. NO. 2, KNOWN AS CALLEY DISTRICT.

Ashland, N. H. Jan. 7, 1901.

To the Selectmen of the town of Ashland.

Gentlemen: C. W. Cummings, member of school board, sent me today school register of 1900, asking me to report fall term of school for that year. Although it is not my duty, am ready to state facts, which, taken altogether, prove the awkwardness of our school laws: duties fall on new officers in middle of school. School was to have commenced the first Monday in September, but teacher disappointed me at last moment, as did also second one hired. I then hired Lillian E. Stevens, who began school Sept. 18, ending Nov. 26, 1900.

Length of school, 10 weeks; whole number pupils registered, 14: 9 boys, 5 girls; average daily attendance, 139.98; per cent of attendance, 91.62; number of cases tardiness, 2; number visits school board, 1; number visits parents and others, 14; number pupils not absent or tardy, 6; number pupils under 6 years, 1; number pupils over 16, 5; number pupils between 6 and 16, 8; wages paid per month, including board, \$28. Mrs. Stevens is an old, experienced teacher, and so far as I am able to learn, gave entire satisfaction.

Names of pupils in perfect attendance: Edith L. Ives, Maud M. Moore, Sarah E. Stevens, Lester T. Calley, Harry C. Kelley, Harry O. Stevens.

J. R. STEVENS, Citizen,  
Ex-Member of School Board.

Ashland, Jan. 9, 1902.

Spring term of Calley district was taught by Florence H. Blanchard; began April 22, 1901, and closed June 28, 1901, making 10 weeks of school. Whole number pupils, 11 : 6 boys, 5 girls; membership at date, 10; average, 10; wages paid per month, including board, \$24.

This was Miss Blanchard's first school and she gained the good will of her pupils, and made good progress, and all hope to see her here for the next term of 1902.

Roll of honor: Sadie E. Rogers, Maude M. Moore, Harry C. Kelley, Dennie P. Moore, James H. Rogers.

Respectfully,

C. W. CUMMINGS, Member of School Board.

REPORT DIST. NO. 2 (PEASE DIST.), YEAR ENDING AUG. 1, 1901.

Whole number weeks school during year, 21. First, or fall term, 11 weeks; commenced Sept. 10, ended Nov. 28; taught by Mary E. Pease. Whole number pupils registered, 15; average daily attendance, 12 97-108; wages per month, including board, \$30.

Second, or spring term taught by Mary E. Pease. Length of term, 10 weeks; whole number pupils registered, 10; average daily attendance, 8 57-96; wages per month, including board, \$30.

B. F. PEASE, Member of School Board.

REPORT OF SCHOOL DIST. NO. 2 (UNION DIST.).

Fall term of 10 weeks, taught by Miss Mary Smith; wages, including board, \$6 per week.

Spring term taught by Miss Babcock; length of term, 10 weeks; wages, including board, \$6 per week.

These schools were generally satisfactory and as the registers for these terms are held in New Hampton and will be reported fully in that town, a further report here seems unnecessary.

GEO. W. JAMBERT.

## Report of Auditors.

We have carefully examined the foregoing accounts of the selectmen, town treasurer, collector, etc., and find them correctly cast and properly vouched.

ALBERT E. PORTER,  
GEORGE E. SCRIBNER, } Auditors.  
JAMES F. HUCKINS,
