THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Ashland in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Ashland on Tuesday, the 12th day of March, 1918, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and make appropriation of the same.

3. To see how much money the town will vote to raise and appropriate for the increase and support of the town library.

4. To see how much money the town will vote to raise and appropriate for the observance of Memorial day.

5. To see how much money the town will vote to raise and appropriate for the laying out, building and repairing of highways and bridges for the ensuing year.

6. To see how much money the town will vote to raise and appropriate to defray the current expenses of the Fire Department and fire alarm for the ensuing year.

7. To see how much money the town will vote to raise and appropriate to defray the expenses of the Town poor.

8. To see if the town will vote to repair the concrete streets and sidewalks, and raise and appropriate money for the same.

9. To see if the town will vote to authorize the Ashland Electric Commission to purchase of the Squam Lake Lumber Co. the box shop now standing on the land of said company, at a price not to exceed twelve hundred and fifty dollars \$1,250.00 and raise and appropriate money for the same.

10. To see if the town will vote to make a reduction in the license fee as now charged to Gordon B. Peavey, for his moving picture business, and to what extent.

11. To see what sum of money the town will vote to raise and appropriate for payment on the town debt.

12. To see if the town will vote to widen and straighten the highway at the southeasterly end of Central block, so called.

Given under our hands and seal, this twenty-fifth day of February, in the year of our Lord, nineteen hundred and eighteen.

REPORT OF FIREWARDS

To the Citizens of Ashland, we respectfully submit the annual report of the Firewards:

Apr. 12, still alarm for chimney fire in house owned by Mrs. Hersey and occupied by Leslie Hall. No damage.

July 8, alarm from Box 56, for fire in storehouse of the Continental Paper Bag Co. The storehouse roof was completely destroyed, but no damage was done to the other buildings.

Aug. 1, Box 62. Fire at the residence of Miss Susie Deane. This fire was confined to the basement and a damage of \$300 was received.

Aug. 6, still alarm for chimney fire at Billedeau's. No damage.

Sept. 25, Box 66, for fire in a small house near Ben Deane's stable. This was extinguished so promptly there was not much damage done, although close to several other wooden buildings.

Oct. 7, 1 a. m., an alarm was rung from Box 41 for a chimney fire at John Thompson's in New Hampton. The firemen returned to the Hose House as they have no authority to fight fires in the Town of New Hampton.

Oct. 9, still alarm for chimney fire at Fred Guyott's. Extinguishers used; slight damage.

Oct. 28, still alarm for chimney fire at Charles Platt's. No damage.

Dec. 9, Box 68 for fire in the Episcopal Church. Damage of \$2300 to the building has been paid. This was an extremely difficult fire to fight on account of the cold weather and the construction of the building.

Dec. 26, still alarm for chimney fire at Rev. T. S. Tyng's.
No damage.

Dec. 29, still alarm for chimney fire at Theodore Jacques' house. No damage.

Dec. 30, still alarm for chimney fire at Susie Deane's.

We recommend an appropriation of \$1000, the same as last year.

L. G. FIFIELD,
GEO. F. PLUMMER, } Firewards.

22 new customers have been added. 15 new service connections have been made. Main street, Mill street and part of Depot street, also Collins street, have been put in permanent condition and Winter street is to be rebuilt this spring by the New England Tel. Co. and town. Work should be done on Highland, Thompson, River, and Depot street beyond the R. R. station.

Last May the Commission ordered a 250 H. P. Turbo generator set to be installed at the Electric Light station. This machine will increase the output of the station to 325 H. P. or double what it is now, which will enable us to take care of any new business that can be developed. We had intended to install a new boiler this year but this new machine is so efficient that it will not be necessary to do this for two or three years to come. The foundation is put in and all arrangements made to install this new equipment, shipment of which is promised on May 20th.

JOHN C. HUCKINS,	} Ashland Electric Commission for the town of Ashland.

REPORT OF THE PUBLIC SCHOOLS

ASHLAND SPECIAL SCHOOL DISTRICT

To the citizens of Ashland:

The schools of the special district opened their fall term with one new teacher in the grades and with a new staff of assistants in the high school. To date the total registration of pupils has been 256, of whom 121 are boys and 135 are girls. Of this number 27 have left school, two to go to work and the remaining 25 to continue school work in towns to which they have moved. This makes the net enrollment on Feb. 20th 103 boys and 126 girls.

Of this number there are in the high school 17 boys and 29 girls, divided among courses as follows: College course 11, English course 13, Domestic Science course 22. The course in Domestic Science continues to maintain its popularity with the girls and all but seven of them are taking that course.

Both buildings are in good condition. The high school building has had all its ceilings whitened, its walls have been calsomined and the coping around the top of the building has been strengthened. Slate blackboards have been placed in the rooms where they were needed, and a much felt want has thus been satisfied.

Because of the long Christmas vacation the work of all the grades and of the high school has been retarded, a fact which will probably necessitate keeping school open till the end of June. As one result of the long vacation, however, both buildings are in better circumstances as regards the fuel supply than they would otherwise have been.

At the beginning of the winter term, the schools of Ashland, as all the schools throughout the country, have endeavoured to instill in the pupils a personal interest in present day national affairs by encouraging them to save their money and to buy thrift stamps. Thrift stamps and war stamps have been explained to all the pupils in the Ashland schools and their value as a loan to the country and as an investment to themselves has been made clear. On Feb. 20th, after the stamps had been on sale through the teachers for only 8 days, 57 girls and 31 boys had bought 473 thrift stamps. Already some thrift cards have been exchanged for War Stamps, six members of the schools possessing one each. Thus slightly over 38 per cent. of the members of the schools have started saving to help their country. It is hoped this percentage will increase.

Music in the grades has been under the supervision of Miss Ida Mann. In the high school Miss Leonard is acting as music director. One period weekly is also devoted in the high school to public speaking. This is also under the direction of Miss Leonard.

Visitors are cordially urged to attend any session of the grades or high school.

The teachers at present in the employ of the district are:

In the high school: F. W. Knight, headmaster, French, Mathematics; Miss Grace Bristol, Domestic Science, Geometry, Physics; Miss Pearl Hood, Latin, French, Arithmetic, Algebra; Miss Grace Leonard, English, History, Rev. Algebra.

In the grades: Anna Lawrence, grade 8; Emily Cook, grade 7; Ida Mann, grade 6; Caro Clay, grade 5; Minnie Thompson, grade 4; Anna Holland, grade 3; Blanche Rogers, grade 2; Mary Roberts, grade 1.

As required by law, we submit the following estimates for the next year:

Text books, supplies and appurtenances	\$1,000 00
For payment of district notes and interest	1,360 00

By an act of the legislature, approved April 4, 1917, the fiscal year of town and special school districts beginning Feb. 16, 1917, will end Aug. 31, 1918. The complete financial report for this school year will be made at that time and published in the next town report.

REPORT OF SCHOOL BOARD

ASHLAND TOWN DISTRICT

Owing to a change in the School Registers it will be quite difficult to report each term of school separately so each school will be reported for the year ending July 15, 1917.

The annual school meeting comes on Saturday, March 16, 1918, at 2 p. m., at the Ashland town hall, and it is very important that you come to this meeting and also visit the schools as often as possible and see for yourself what the schools are doing.

As the present financial school year is to be extended until Aug. 31, 1918, to correspond to the statistical year, it will be necessary to raise enough school money to cover this extra time.

PEASE SCHOOL

Taught by Miss Madge Pease, price per month, \$40.00. Number of weeks of school 30. Whole number of scholars 5. Average daily attendance 4.30. Number of visitors 9, and visits by school board 3.

CALLEY SCHOOL

Taught by Miss B. M. Warren for 24 weeks at \$44 per month, and by Mrs. M. Y. Sirrell for 6 weeks at \$44 per month, including transportation to and from school, of William C. Moore. Number of weeks of school 30. Whole number of scholars 8. Average daily attendance 5.13, number of visitors 11 and visits of school board 2.

As required by law we submit the following estimates for the next school year:

For text books, supplies and appurtenances	\$75 00
For high school tuition	150 00
