This Report is Respectfully Dedicated to the
Memory of One of Ashland's
Finest Citizens
DR. LEON M. ORTON

Town Manager's Report

To the Honorable Board of Selectmen and Fellow Citizens:

The annual Town Report for the year 1953 has been changed somewhat from previous years so that only pertinent data will show, thus eliminating the jungle of schedules and exhibits compiled by the auditors which cause a lot of confusion. If anyone wants more detailed information, our books and audit report are open to you at all times along with any answers you might want.

The year 1953 proved very successful for the Town of Ashland as we ended it with a cash surplus of \$7,090.42. This surplus will go to reduce this year's tax rate.

The Town of Ashland is very fortunate in having such good men in the department heads and personnel working in the departments united as a team to serve you.

I wish at this time to thank the Board of Selectmen, employees and you, as citizens of Ashland for the cooperation I received last year. With this same cooperation, we will show you a good report next year.

Respectfully yours,

FRANK R. YOUNG

- 5 To see if the Town will vote to appropriate a sum not to exceed \$7,650.00 for the purpose of buying one tar kettle and one commercial type loader, and to determine what part of required amount shall be raised by taxation this year, and what balance, if any, shall be borrowed on short term notes on the credit of the Town of Ashland.

- 6 To see if the Town will authorize the Selectmen and the Town Treasurer to borrow a sum or sums not exceeding in the aggregate \$50,000.00 in anticipation of the collection of taxes for the current municipal year, and to issue in the name and on the credit of the Town, negotiable notes therefor, said notes to be repaid during the current municipal year from taxes collected during the current municipal year.

- 7 To see if the Town will authorize the Planning Board to submit zoning ordinances to be acted upon by the Town at the next annual meeting.
- 8 To see if the Town will authorize the Planning Board to submit a plan governing sub-divisions of property to be submitted for consideration at the next annual meeting.
- 9 To see if the Town will vote to extend the street lights on Main Street from the Green Grove Cemetery to the residence of Harry Kelley. (Petitioned by 10 legal voters). (The Budget Committee has approved \$350.00 to do only one-half of this project this year, and the balance of appropriation to be raised next year).
- 10 To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to construct a grandstand to further the development of our playground for recreation and entertainment. (Petitioned by 10 legal voters). Not recommended by Budget Committee.
- 11 To see if the Town will vote to authorize the laying out of a new street through the Hillside Development off West Main Street. Land for said proposed street having already been deeded to the Town. If petition is granted, the rough bulldozing will be done by the Hiltz Brothers without cost to the Town. (Petitioned by 10 legal voters). Not recommended by the Budget Committee.
- 12 To transact any other business which may legally come before said meeting.

Given under our hands and seal the 20th day of February, in the year of our Lord, nineteen hundred and fifty-four.

Where Our Revenue Came From

Estimated revenues go to reduce the amount of money that has to be raised by property taxation to run the town. We receive these amounts from the State, Local Sources, Utilities and Motor Vehicle Permits in the following manner:

From the State:

	Estimated	Actual
Interest & Dividends Tax	\$4,000.00	\$4,057.99
Railroad Tax	112.45	112.73
Savings Bank Tax	254.16	414.62
Reimb. a/c Forest Lands	10.65	10.65
Reimb. a/c.Growing Wood & Timber	600.00	986.64
	\$4,977.26	\$5,582.73

The estimate on revenue that is received from the State ran over in the amount of \$605.47.

From Local Sources:

Dog Licenses	\$300.00	\$375.90
Business Licenses and Permits	115.00	67.50
Fines and Forfeits	200.00	515.50
Interest on Taxes	500.00	460.53
	\$1,115.00	\$1,419.43

The estimates on revenue that is received from these local sources ran over in the amount of \$304.43.

From Public Utilities:

Light Department	\$34,500.00	\$34,493.62
Water Department	7,000.00	7,277.93
	\$41,500.00	\$41,771.55

The estimated revenue in the Public Utilities accounts ran over in the amount of \$271.55.

From Motor Vehicles:

Auto Permit Fees	\$5,000.00	\$5,843.99
------------------	------------	------------

The estimates from revenue of this source ran over in the amount of \$843.99.

	Estimated	Actual
Poll Taxes	\$1,350.00	\$1,384.00

These ran over in the amount of \$34.00. The poll tax revenue will not fluctuate to any extent each year. About the same number that come off this list each year due to age, moving etc. are added by the same means.

National Bank Stock	\$ 85.00	\$ 85.00
Cash Surplus	\$2,000.00	\$7,093.82

The Cash Surplus ran over this year which was brought about by savings in appropriations and only spending where necessary. This is how the cash surplus figure was arrived at.

Cash on Hand and in Bank Dec. 31, 1953	\$62,345.10
--	-------------

Less Carry Overs on Accounts:

Town Construction	\$4,900.00	
Town Hall & Buildings	125.00

		<hr/>
Cash Surplus		\$ 7,093.82

Summary of Estimated Revenues	\$56,127.26	\$63,180.42
-------------------------------	-------------	-------------

The Cash Surplus figure is included in the \$63,180.42, (\$7,093.82) of which will go to reduce the 1954 tax rate.

General Government

It cost the taxpayers of Ashland \$12,619.95 to run the local government for the year 1953. This is how it was spent.

Town Officers' Salaries

Appropriated	\$5,725.00
Expended	5,035.83
Balance	691.17

The officers and salaries included in this account are as follows: Manager \$4,000.00; Selectmen \$1,275.00; Town Clerk \$150.00; Treasurer \$300.00. The reason for the large unexpended balance in this account for last year is due to the fact that the office of Town Manager was vacant for 1 month during 1953 and your present manager came for \$3,500.00 last year.

Town Officers' Expenses

Appropriated	\$3,910.00
Expended	4,058.39
Balance	*148.00

Accounts included in this appropriation are Clerical \$1,150.00; Manager's Expense \$300.00; Supplies \$200.00; Printing \$700.00; Telephone \$300.00; Stationery and Postage \$175.00; Bonds, Legal Census Audit \$535.00; Dues and Subscriptions \$50.00; Town Clerk's Fees and Expenses \$450.00; Register of Deeds \$50.00.

This account was overdrawn by the amount of \$148.00 due to the fact that supplies and printing ran higher than expected.

Election and Registration

Appropriated	\$225.00
Expended	232.51
Balance	*7.51

This account appears to be overdrawn but is not, due to the fact that \$20.00 is to be credited to this account. This \$20.00 came from the recount held for the offices of Town Clerk and Selectman after last year's Town Meeting.

*Denotes overdraft of appropriation

Municipal Court

Appropriated	\$300.00
Expended	300.00
Balance	None

The amount appropriated in this account covers the salary of the Judge to carry out the work of the Court.

During the year 1953 the Court handled 86 cases in the following categories:

Motor Vehicle Violations	36
Drunkenness	16
Disturbing the Peace	2
Other Violations	2
Small Claims Cases	30

The year has seen an upward trend in misdemeanors resulting in added revenue for the Court, but although in these days when Town authorities, budget committees, and in fact almost all of us, are doing our utmost to cut costs, we should not in any sense be under the impression that any Court, Municipal or otherwise, is set up as an institution for profit—nothing could be further from the truth. Any Court to function properly, must have only one object in view, and this is to dispense justice.

Maintenance of Town Buildings and Structures

Appropriated	\$3,450.00
Expended	2,993.25
Balance	456.75

The accounts included in this appropriation are: Labor \$400.-00; Materials and Supplies \$400.00; Fuel \$1,000.00; Maintenance of Clock \$75.00; Maintenance of Dam \$600.00; Repairs to Garage \$600.00; Repairs to Dam \$50.00; Taxes to New Hampton \$150.; Insurance \$175. All these accounts go toward the upkeep of town buildings. This year the town garage was painted all but the trim which will be completed this summer. There was a large unexpended balance in this appropriation due to the fact that there was a saving in fuel. Last year we cut and also trimmed a lot of trees which we sawed and used for fuel instead of burning coal. This plan is also going to be followed this year. This appropriation completes the General Government section of the 1953 Budget and we now move to the Protection of Persons and Property.

Protection of Persons and Property

Of your 1953 appropriation, \$9,101.01 went to support the Fire and Police Departments, and Civil Defense program. It was spent in the following manner.

Police Department

Appropriated	\$4,165.00
Expended	4,045.66
Balance	19.34

The accounts in the Police Department appropriation are Chief's Salary \$2,650.00; Chief's Expenses \$550.00; Special Police \$600.00; Telephone \$75.00; Supplies \$100.00; Insurance \$90.00 and Training School \$100.00. A lot was accomplished in the Police Department this year. A 2-way radio was purchased in conjunction with the Federal and State Civil Defense program. Under this program the cost of the radio \$549.70, is paid half by the town and the other half by the Federal government. The radio belongs to the town and the only stipulation to this agreement is that in the case of an emergency they control the set and that will be to our advantage because we will be directed and receive instructions as to what to do. We have been accepted on the police band and this piece of equipment will be used on both police and Fire Department work.

Fire Department

Appropriated	\$4,950.00
Expended	4,956.66
Balance	*6.66

Accounts included in this appropriation are:

Salaries	\$2,800.00
Maintenance of Equipment	100.00
Janitor	175.00
Supplies	100.00
New Equipment and Boxes	1,000.00
Telephone	100.00
Fire Alarm System	200.00
Insurance	325.00
Training School	50.00

Last year 650 feet of 2½-inch fire hose was purchased as well as 2 fire ladders. Each year new hose should be bought to replace older hose that has outlived its life, as well as buying other new equipment.

* Denotes overdraft of appropriation

Civil Defense

Appropriated	\$200.00
Expended	111.77
Balance	88.23

This appropriation covers the cost of supplies and carrying out the civil defense program. This appropriation brings to a close this section of the 1953 budget and now will move along to the Public Health section.

Public Health

\$3,955.00 were spent to defray the cost of carrying out the Health Program.

The accounts in this appropriation are as follows:

Health Officer's salary & expenses	\$120.
District Nursing Association ...	2,750.
Vaccinations	125.
Donation to Plymouth Hospital ..	1,000.

District Nurse's Report

Nursing Visits	299
Infant Care	23
Old Age	88

Clinics

Immunization	3
Dental	16
Vaccination	2
Vision	3
Patch Test (for T. B.)	2
Chest	1

Public Health and Family Welfare—250 visits

School

Measle Inspection	35 half days
Physicals	15 " "
Vision Tests	20 " "
Hearing Tests	25 " "
General Inspections	50 " "
Office	75 " "
Head Inspection	120 visits
Records, Charts, etc.	68 hours

Home visits and school health problems were given many hours of service.

HELEN H. FISHER, R. N.

The following are the activities carried on in the town by the New Hampshire Dept. of Health, Bureau of Public Health Nursing for the year 1953. A series of 3 Immunization Clinics were held at the Booster Club on March 24, April 28 and May 26, 1953. The total attendance at these clinics were: 28 infants; 51 pre-school and 34 school children, making a total of 113. Total immunizations completed for diphtheria, tetanus and whooping cough were: 8 infants; 27 pre-school and 23 school age, making a total of 58.

Assisting with these clinics were Mrs. Helen Fisher, local District Nurse, Dr. Samuel Feiner, and a committee from the local District Nursing Assn. Now moving from the Public Health section we go to the Vital Statistics.

VITAL STATISTICS

The money spent in this appropriation is used to defray the cost of recording all the births, marriages and deaths in the Town of Ashland for the year. It cost \$63.25 last year.

Road construction. Pictured top to bottom—Collins Street, Grain Store Road and Hill Street.

Highway Dept. and New Construction

This section of the budget for last year's work cost \$26,065.42. It was spent in the following manner.

Town Maintenance

Appropriation	\$17,575.00
Expended	17,931.78
Balance	*356.78

The accounts in this appropriation are as follows:

Labor	\$9,000.00
Supplies	1,000.00
Gas and Oil	1,200.00
Equipment Rental	2,000.00
Salt	1,600.00
Sand and Gravel	400.00
Patching Materials	250.00
Insurance	625.00

Last year the town installed its own gas pumps which will be a saving of approximately \$250. per year. It was also necessary to replace Owl Brook Bridge which cost \$1,968. This year it is planned to find storage space for bulk salt so we can buy it in that form, thus saving about \$5 per ton.

Street Resurfacing

Appropriated	\$3,400.00
Expended	3,660.00
Balance	*260.00

By street resurfacing it is meant asphaltting tarred roads that have a black-top surface. This account appears to be overdrawn but a credit of \$386. is due this account from private driveway work that was done last year. We sold the asphalt for the same price we paid for it and the back sanding was done by the persons doing the work. Following are ones having their driveways done and amounts charged each one:

(Cost of the asphalt—16c per gallon)

Ashland High School:

Leavitt Hill Road

Street Construction

Appropriated	\$9,500.00
Expended	4,473.30
Balance	5,026.70

The following streets were constructed last Year:

	Appropriated	Expended	Balance
Collins Street	\$1,000.00	\$ 940.00	\$ 60.00
Thompson Street	2,300.00	1,746.00	554.00

	<u>\$9,500.00</u>	<u>\$4,473.30</u>	<u>5,026.70</u>

*Denotes overdraft of appropriation

The Paper Mill Road, Highland Street and Leavitt Hill Road appropriations are being carried over to this year for the following reasons. The Paper Mill Road was not done last year due to the fact that the mill wants to do their part at the same time and they were not ready, so asked us to hold off on this project until this year. Highland Street was not done because there was not enough money raised to do the job and we are asking \$2,500. more this year, making us a total of \$4,000. to do this job. The Leavitt Hill appropriation was not used and is being carried over to this year. The work done on that road last year was taken out of the T. R. A. program.

Libraries

Each year \$1,000.00 is appropriated to help carry out the work of the library. From this appropriation new books are purchased and the librarian's salary is paid. Anyone entering this building can see the good work that is being done by the committee.

Recreation

\$1,400.00 was spent for recreation last year. It was spent in the following manner:

Appropriated	\$1,400.00
Expended	1,400.00
Balance	None

The year of 1953 has been another step in the advancement in recreation for the children of Ashland. The playground was supervised for a period of seven weeks during the summer months. In this time the children were transported three times a week to Little Squam Lake for swimming as well as other trips to nearby playgrounds for sports events and field days. Another big stride was made in the Arts & Crafts department under the capable supervision of Mrs. Rosalie Frost and Mrs. Gloria Robinson who supervised alternate weeks on a joint program. Many new ideas and courses were introduced.

Plans have been made and some of the equipment has been purchased to install an archery range for the coming season.

We wish to take this opportunity to thank the town of Ashland for the appropriation and all groups and individuals who contributed to make the playground a success. Your cooperation is greatly appreciated.

The 1953 appropriation was used as follows:

Total Amount Appropriated		\$1,400.00
Instruction	\$729.96	
Transportation	75.00	
Caretaker Services	225.00	
Liability Insurance	125.48	
Materials and Supplies	224.41	
Incidentals	20.15	
Total Expenditures		\$1,400.00

Public Welfare

\$6,706.31 of the Town Budget was spent for Public Welfare and spent in the following manner:

OLD AGE ASSISTANCE

Appropriated	\$5,100.00
Expended	5,811.19
Balance *711.19

*Denotes overdraft of appropriation

By Old Age Assistance is meant our share of the costs of the program that is administered by the State.

· TOWN WELFARE

Appropriation	\$1,685.00
Expended	895.12
Balance	789.88

By Town Welfare is meant giving temporary aid to people needing it.

Patriotic Purposes

Patriotic Purposes covers a donation to the American Legion to buy flags to be put on lots of war veterans on Memorial Day, and care of the Town flag. It cost \$300.00 for this part of the budget.

AMERICAN LEGION

Appropriation	\$150.00
Expended	150.00
Balance	None

CARE OF FLAG

Appropriation	\$150.00
Expended	150.00
Balance	None

Unclassified

Under this appropriation comes Damages and Legal Expenses and Planning Board. These two appropriations come to \$200.00.

DAMAGE & LEGAL EXPENSES

Appropriation	\$100.00
Expended	189.60
Balance	*89.60

*Denotes overdraft of appropriation

PLANNING BOARD

Appropriated	\$100.00
Expended	23.25
Balance	76.75

The Planning Board was formed with the intent to help develop the town with good sound ideas that will be needed in future years. More and more towns are realizing that planning for future development must be done now so that such developments will be done in an orderly fashion and not in a state of utter confusion. The board could not be expected to know all the answers, so they have had various speakers come before the group to explain how these various duties are carried out. Last year many ideas were discussed and those not acted on will be formulated further this year.

Projects which are now under way are small scale zoning, subdivision and street numbering. Last year they recommended a parking lot to be made up at the high school workshop to alleviate the parking problems at the high school auditorium. It was recommended that a blinker light be installed at the corner of Main and River Streets. These are just a few of the functions of the Planning Board. There are many problems to be considered but their ultimate goal is to come up with plans to protect you as a local citizen as well as the town in general.

Tree Care & Sidewalk Construction

\$1,000.00 was appropriated for these two appropriations. It was spent in the following manner:

TREE CARE

Appropriated	\$500.00
Expended	17.25
Balance	482.75

No great amount of tree work was done last year. This year we are carrying \$450. from last year's appropriation to have the trees sprayed. This means that there will be no appropriation needed this year. The trees will be sprayed in the latter part of May.

SIDEWALK CONSTRUCTION

Appropriation	\$500.00
Expended	None
Balance	500.00

Last year sidewalk construction materials were not available so nothing was done on this program. We are carrying this appropriation forward to this year and asking for \$500. more, thus making a total available for this year of \$1,000. Sidewalk construction could be contracted out to a private firm but you would not receive as much for your dollar, so we plan to do our own work.

Public Utilities

\$31,191.32 of your 1953 budget went to carry out the work of the Electric Light and Water Departments. It was spent in the following manner:

Debt Retirement

Appropriation	\$7,465.00
Expended	6,342.39
Balance	1,122.61

\$6,342.39 was spent to retire the Town debt. It was spent in the following manner:

General Improvement Bonds	\$3,000.00
Interest	157.50
Water Extension Notes	3,000.00
Interest	75.00
Interest for borrowing money on tax anticipation	109.89
	<hr/>
	\$6,342.39

This year we will retire the Town debt on General Improvement bonds and the Water Extension notes. This will leave us with only the long range T. R. A. bonds to retire which will amount to about \$265. per year plus interest.

Retirement Fund

Appropriation	\$700.00
Expended	591.30
Balance	108.70

Your Retirement Fund covers the cost of social security and retirement plans which the town participates in with the town employees. There was \$591.-30 spent in this program last year.

Capital Reserve

Appropriation	\$500.00
Expended	500.00
Balance	None

In this account \$500. per year is set aside for a new fire truck at some future date.

New Equipment

Appropriation	\$120.00
Expended	120.00
Balance	None

\$120.00 was appropriated last year for the purchase of two new files for the office. This amount was spent.

T. R. A. Program

Appropriation	\$260.37
Expended	260.37
Balance	None

Last year the amount of \$260.37 was appropriated to carry on this program. This amount was turned over to the State. T. R. A. means Town Road Aid. It is a program where the State puts in about 7 times more money than we are required to. The money from this program for the next ten years will be completely spent this year. This was the Town's wish at your last Town Meeting when you gave permission to use the next ten year's monies from both State and Town to do that work within a couple of years instead of doing a little each year over a ten-year period.

Board of Selectmen
Ashland, New Hampshire
Gentlemen:

Submitted herewith is the report of the annual audit and examination of the accounts of the Town of Ashland for the fiscal year ended December 31, 1953, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

Scope of Audit

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Water and Electric Light Departments, Municipal Court and Library.

Financial Statements

Comparative Balance Sheets

December 31, 1952 - December 31, 1953: (Exhibit A)

Comparative Balance Sheets as of Dec. 31, 1952 and Dec. 31, 1953, are presented in Exhibit A. As indicated therein, the Surplus decreased by \$6,283.17 in 1953.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the Town during the year is made in Exhibit B, with the factors which caused the change indicated therein. These were as follows:

Decreases in Surplus

Bonds Issued	\$20,000.00	
1952 Cash Surplus Used to		
Reduce 1953 Tax Rate	2,000.00	
Refunds & Reimbursements	28.08	
Decrease of Cash in Hands of Officials	.73	
		\$22,028.81

Increases in Surplus

Net Budget Surplus	\$8,072.02	
Long Term Notes Paid	3,000.00	
Bonds Paid	3,000.00	
Increase in Accounts Receivable	1,461.03	
Adjustment of 1952 Head Taxes	201.09	
Tax Collector's Excess Credits	11.50	
		\$15,745.64
Net Decrease		\$ 6,283.17

Comparative Statements of Appropriations & Expenditures

Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1953, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D), a net revenue surplus of \$1,745.06, plus a net unexpended balance of appropriations of \$6,326.96, resulted in a net budget surplus of \$8,072.02.

Summary of Receipts and Expenditures: (Exhibit E)

A summary of receipts and expenditures for the fiscal year ended December 31, 1953, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of December 31, 1953 is indicated in Exhibit F.

Audit Procedure

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records.

General Comments

Current Surplus:

It is noted that the current surplus increased from \$19,987.46 to \$27,704.29, in 1953, as shown by the following statement:

	Dec. 31, '52	Dec. 31, '53
Total Assets	\$70,342.56	\$87,928.77
Current Liabilities	50,355.10	60,224.48
Current Surplus	\$19,987.46	\$27,704.29

State Head Taxes:

There remained in the town treasury on Dec. 31, 1953, State head taxes collected on account of the levy of 1953 in the amount of \$3,397.00, which had not been remitted to the State. This represented the total collections to that date of 1953 head taxes and penalties. A check made with the State Treasurer on February 2, 1954 disclosed that no remittance had been received for these taxes up to that time.

In this connection attention is called to Section 9, Chapter 40, of the Laws of 1953, under the provisions of which a town or city is penalized for failure to make quarterly remittances on account of head tax collections to the State Treasurer when due. This section is quoted herewith:

“9. Payment to State. On or before the 15th day of the months of Sept., Dec., March and June, each town and city shall cause its tax collector to certify such information as the state treasurer shall require and the treasurer to pay over to the state treasurer all special head taxes and penalties collected during the preceding three months after first deducting ten per cent of the head taxes collected. Such deduction shall be for the use of the town or city to offset all expenses incurred in the assessment and collection of the special head taxes; provided however that in towns where the collector of taxes is paid on a part time or commission basis not less than thirty per cent of the sum so deducted shall be paid to said collector for his services in collecting said head taxes. If any town or city shall fail to make its payment when due the deduction of the ten per cent to be retained by it shall be reduced by one quarter of one per cent for each week or part thereof said payment is overdue.”

Town Treasurer's Surety Bond:

It is again recommended that the surety bond of the Town Treasurer be increased from \$5,000.00 to \$12,000.00, in order that it may be more proportionate to the amount of funds handled by this official.

Conclusion:

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its essential features shall be published in the next annual town report.

We extend our thanks to the officials of the Town of Ashland for their assistance during the course of the audit.

Yours very truly,

Minutes of School Meeting

March 5, 1953

In accordance with the published Warrant, the meeting was opened by Moderator Richard P. Merrill at 8 p. m. at the gymnasium on March 5, 1953, by the reading of the Warrant and the opening of the business session, with the following results:

1. To choose a Moderator for the coming year. Richard P. Merrill was elected as Moderator.
2. To choose a Clerk for the ensuing year. Lillian M. Young was elected as Clerk.
3. To choose two Members of the School Board for the ensuing three years. S. Francis Duffy had 36 votes; John Glidden declined to run; Roger Calley had 31 votes, and S. Francis Duffy was declared elected for the ensuing 3 years. Second Member of the School Board for 3 years: Roger Calley was unanimously elected.
- 3a. To choose one Member of the School Board to serve one year. Knud B. Nielsen was elected a Member of the School Board for one year by unanimous vote.
4. To choose a Treasurer for the ensuing year. Lillian M. Young was elected as Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District. On motion of Dr. H. S. Kaplan, seconded, it was voted that the sum of \$25 be appointed for the salary of the Truant Officer. After discussion this motion and second, was withdrawn and in place thereof, it was moved that the sum of \$100 be appointed as salary for the Treasurer, the sum of \$7.50 for the salary of the Moderator for each meeting, the sum of \$25 for the Truant Officer and the sum of \$15 for the salary of the Census Taker. This motion carried.
6. To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto. Article dismissed.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this Warrant. Article dismissed.

8. To see what sum of money the District will raise and appropriate for the support of schools, for salaries of School District officials and agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town. On motion it was voted that action under this article be deferred until after article 10 was taken up.

9. To see if the District will vote to adopt a non-partisan ballot system for the election of School District officers, the system to be in effect at the 1954 annual meeting. On motion is was voted to dismiss the article.

10. To see if the District will vote to appropriate a sum not to exceed \$15,000 for improvements in the heating system of the school buildings, and to determine what part of the required amount shall be raised by taxation this year, and what balance, if any, shall be borrowed on short term notes on the credit of the District. After much discussion regarding a plan of raising the required amount of \$15,000, the sense of the meeting was taken by a show of hands and the 5-year plan was favored. Raymond May made a motion to raise the sum of \$3,000. but later withdrew his motion. Then on motion of E. J. Paquette it was moved that the town appropriate the sum of \$15,000 of which \$3,000 is to be raised by taxation this year, and that the School Board be authorized to borrow the remaining sum of \$12,000 to be paid \$3,000 each year for 4 years thereafter, plus interest. Mr. William Norman moved that the foregoing motion be amended by making the raising of said sum subject to a test run of the boilers. This amendment failed. The first motion was balloted upon with the following results:

Yes (is to raise)	60 votes cast
No (is not to raise)	7 votes cast
	—
	67 total cast

Two-thirds vote being required for passage, the motion carried.

8. It was voted to defer Article 8 again after motion of John Bilodeau to raise and appropriate the sum of \$83,-411.22, the School Board not being ready to confirm said amount as correct. Motion of Roger Calley to raise the

appropriate the sum of \$95,411.22 was withdrawn. John Bilodeau requested an explanation of the increase in teachers' salaries and the variation between the elementary and high school requirements from the previous year. Dr. Kaplan explained that this was a bookkeeping transposition, but that the total of the two items reflected the true increase.

11. E. Alden Brown announced that he wished to resign as a Member of the School Board and it was voted to accept his resignation, and to declare nominations open for another member to replace him for the unexpired term of 2 years. The following nominees declined to serve: Rhenda Paquette, Clifford E. Gingras, Kenneth Newlen and John E. Glidden. Then Allen K. Ober was nominated and elected by unanimous vote. to serve for the ensuing 2 years.
8. On motion of Herman Pearson it was voted to raise and appropriate the sum of \$83,411.22 as recommended by the Budget Committee, for the purposes stated therein.
11. To transact any other business that may legally come before the meeting. E. J. Paquette announced that the District Nurse Association had completed renovations to the Nurse's room at the school and it was the Association's intention to start a dental program there soon. Dr. Kaplan replied to question of what the Board would do with the boilers removed and stated that they would be sold, if possible. He went on to remark that he believed it the duty of everyone interested in school affairs to participate, offer criticism and assistance to the School Board in problems of policy and administration, and that the formation of a Citizens Committee to that end would be of great help.

Adjournment.

LILLIAN M. YOUNG

State of New Hampshire
School District Warrant

To the Inhabitants of the School District in the Town of Ashland qualified to vote in District affairs:

You are hereby notified to meet at the Ashland Auditorium in said District on the 18th day of March 1954, at 8 o'clock in the evening to act upon the following subjects:

- 1 To choose a Moderator for the coming year.
- 2 To choose a Clerk for the ensuing year.
- 3 To choose two Members of the School Board for the ensuing three years.
- 4 To choose a Treasurer for the ensuing year.
- 5 To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the District.
- 6 To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
- 7 To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
- 8 To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
- 9 To see if the District will vote to appropriate a sum not to exceed \$8,100 for alterations and improvements of the two upper floors over the present school shop.

10 If the preceding article is voted in the affirmative, to see how much, if any, of the appropriation shall be raised by taxation at this meeting and how much shall be borrowed on short term notes on the credit of the District payable in not more than three years.

11 To transact any other business that may legally come before the meeting.

Given under our hands at said Ashland this 25th day of February 1954.

Supervisory Union Report

The public may be interested in a few facts regarding the Ashland-Meredith Supervisory Union.

This group of six towns maintains an office for the superintendent in Meredith. The business of the union is under the direction of a union board, which consists of the combined school boards of all six districts.

The budget for the coming year is as apportioned among the districts as follows:

		<i>Supt.'s Salary Local Share</i>	<i>Other Office Expense including Sec. Salary</i>
Ashland	(24.2%)	\$ 919.60	1,318.90
Meredith	(34.5%)	1,311.00	1,880.24
Center Harbor	(5.4%)	205.20	294.30
Holderness	(12.3%)	467.40	670.36
Moultonboro	(11.7%)	444.60	637.64
Sandwich	(11.9%)	452.20	648.56
Total		\$3,800.00	\$5,450.00

The superintendent's salary for 1953-54 is \$6,273, of which \$3,773 is collected from local districts and \$2,500 is paid by the state. Other expenses of the union are paid entirely by local funds.

The average salary of the 52 superintendents and assistant superintendents in New Hampshire for the current year is \$6,664.

Superintendent

Report of Superintendent and Principals

Crowded The crowded condition of schools nationwide is beginning to be felt in Ashland.

Classrooms We have found it necessary this year to divide the first grade into two groups—and as this made seven classes for our six-room building, we sought a room outside. This room was graciously provided by the local Baptist Church with the sole provision that the property be returned in the same condition in which it was loaned. At present the third grade, being the smallest, is housed in this building. Being away from the rest of the school most of the day, and crossing the main street two or more times daily for the school lunch or other reasons, makes the arrangements quite inconvenient, and we hope other plans for housing may be made before next fall.

Handwriting Our last year's recommendations regarding the teaching of handwriting

Instruction has been adopted, and the Rinehart system of instruction is now used in grades 1 through 8. Each month an expert instructor in writing visits the various class rooms, conducts a lesson in writing, and leaves definite directions for the classroom teachers to follow.

The pupils are no longer confused by different ways of letter formation suggested by various teachers, and all pupils are encouraged to give more careful attention to their handwriting. We are finding this plan a good investment and hope it may be continued.

Modern One factor that helps pupils to progress well from grade to grade in any subject is

Textbooks the use of a suitable series of textbooks and teaching helps. In arithmetic, for instance, the series by Morton entitled "Making Sure of Arithmetic" has been our choice. As we have needed new books from time to time, some of this series have been purchased, and at last we have completed this standardization by buying a set for the 8th grade this year. Our spelling series is already uniform, and we hope next year to secure new and better materials for our language program.

High School For grades 7 through 12, a new report card has been developed by a panel of par-

Report Cards ents and teachers. As parents have been asked their opinion of these reports, the reaction has been generally favorable. In addition to the report card, the teachers are asked to send a special statement to parents in cases where the individual student is not doing as well as we believe he can do.

Housing

Recommendations

More satisfactory housing arrangements are recommended for the coming year. The suggested plan involves three changes, as follows: (a) Removing the old furnace in the high school, as voted last year, will provide room for an enlarged cafeteria. This will make our lunch program more efficient. This larger cafeteria room can also be used as a study hall and library, as well as for other activities. (b) Enlarging the present home economics kitchen into a classroom will provide space for one of the elementary grades, so we will not need the extra classroom at the Baptist Church. (c) Making use of the space over the school shop (second and third floors of the old town hall) will give us plenty of room for a home economics laboratory, band room and instrumental music classes.

Teachers'

Workshop

Our teachers' workshop, attended by all teachers in the union, dealt this year with the topics of physical education, high school activities, and outdoor education. Well qualified consultants helped to make our studies there both interesting and practical. The October date seems an appropriate time for this annual event, especially as it provides a break at the middle of the 16-week fall term, which in the past has proved so tiresome for our younger pupils.

Outdoor Education

Outdoor education, involving a few days' experience at a camp, is receiving favorable attention in various parts of the country. Schools in Michigan and California, as well as some in New England, have found this a valuable activity. Last November, one class from Sandwich and one from Holderness—62 pupils in all, from grades 6, 7 and 8, with their teachers—spent a week at Sargent Camp in Peterboro, after earning the necessary money to pay their expenses.

The week's work was carefully planned, and it was not a vacation in any sense. Lessons in conservation, science, physical education, music, arithmetic and English were carried on with opportunity for practical application. Since their return to school these pupils have often recalled the things observed at camp as a basis for better understanding of the world around us. The teachers concerned are enthusiastic over the possibilities of this type of experience, and a committee of teachers chosen from the several towns in the union are now working on plans which may lead to finding a camp nearer home where more of our pupils can profit by it.

High School Curriculum For many years our high school has offered a choice of courses to pupils entering the freshman class. Some have elected commercial subjects, others academic studies, and still others home economics or shop work. Three years ago the school board expressed the opinion that boys and girls at the age of fourteen are not yet able to decide which educational program is best for them to follow. In the fall of 1951 a new plan was put into operation, making the ninth grade program the same for all, and postponing the choice of electives until the sophomore year.

We feel that the new plan has some advantages and some faults. After three years of trial it is time to give the matter careful study in terms of results attained, and to suggest such changes for the fall of 1954 as seem desirable.
