Town Manager's Report

To The Citizens of Ashland

It is a privilege to present to you the Annual Report of the municipal operations for the year ended December 31, 1958. We wish to take this opportunity to thank the citizens and employees of the Town for their cooperation this past year. It has been a pleasure to serve as your Board of Selectmen and Town Manager.

ROBERT W. RHODES

Town Manager

HOMER N. YOUNG, Chairman

BERNARD AVERY

EDWARD N. DOGGETT

Town Maintenance:

A great deal has been accomplished on the road program this past year. Our resurfacing program is proving itself each year with very favorable results.

The screened gravel that we are using on our roads has proved invaluable to the building and reconstructing of our highways.

The usual maintenance work was carried on with culvert replacements, brush cutting, sweeping and drainage of roads.

Owl Brook Road:

Considerable work was accomplished this past year on this road starting at the bottom of the hill to the intersection of the road to Howard Small's and Allan Ober's. This section of the road was brought up to grade, drained properly and repaved asphalt application.

Hill Street:

This street was greatly improved this past year from the Catholic Church to the intersection of Winter Street. This section was widened, properly drained and repaved a hot top

surface. With these improvements it will make the plowing of snow much easier as well as having a good approach up the hill.

School Street :

The removal of the ledge and cutting back the corner on School Street below Mr. George Ober Sr.'s property alleviated the problem of snow removal. This corner in the past has been a constant source of trouble during winter plowing.

Thompson Street :

Work was continued on Thompson Street this past year by widening the road, re-setting the telephone poles, installing culverts and proper drainage, graveling and applying asphalt. The work will be continued this coming year.

Collins Street Bridge :

The bridge on Collins Street was repaired this past year. The wooden planking was removed and replaced with a concrete slab reinforced with steel. The entire pad was hot-topped. This bridge is now a permanent structure and the expense of replacing wooden planking every few years will not be necessary.

Sidewalk Construction :

The sidewalk program was carried on again this past year with improvements being made.

At the present time both sides of the Main Business Section of the Town has been completed, Depot Street from the corner of Winter Street to the Business Section along River Street.

Welfare :

Our expenditures for our welfare program were low again this past year, but we find that requests for aid are becoming more frequent, especially in regards to hospital and medical care. We have been very fortunate in the past, but needless to say, care will have to be exercised in the future in studying each welfare case.

Water Department :

Here in this area of New Hampshire water is considered to be abundant, but in the face of ever increasing demands and the decreasing of the water table adequate supplies of years ago can no longer be taken for granted.

At the present time we find ourselves with a shortage of water in the summer months and also in the winter. It is a serious problem, unless we have rain within two weeks we will be pumping from Jackson Pond to the Reservoir.

Plans are being made at the present time to take whatever steps are necessary to try to alleviate this problem.

For years the entire profit made by the Water Department has been turned back to the Town to reduce taxes. Some part of this should have been set aside for future expansion or for emergencies that might arise. Below is a comparison of the original cost of the water department in 1894 compared with the replacement cost in 1958. Note carefully that the amount of \$115,403.32 does not include cost of reservoir or labor. A comparison of costs in pipe is interesting. In 1894 a 6" cast iron pipe cost .31 per foot, in 1958 the cost is \$2 per foot.

Water works established in 1894 at a cost of \$33,875.00 This also included cost of construction of the reservoir.

REPLACEMENT COST

1958	Feet	Price Del.	Total
12" CI Pipe	120'	4.75	570.00
10" CI Pipe	9,440'	3.70	34,928.00
8" CI Pipe	1,100'	2.80	3,080.00
6" CI Pipe	25,169'	2.00	51,338.00
4" CI Pipe	600'	1.30	780.00
2" Galv. Pipe	1,750'	56.72/C'	992.72
1½ Cu Tubing, "K"	1,584'	.90	1,425.00
1" Galv. Cote's	300'	21.20/C'	63.60
	Number	Price	
Hydrants	64	200.00	12,800.00
Chlorinator inc. Bldg.			3,000.00
Services House	378	17.00	6,426.00
			<hr/>
			\$115,403.32

Note: Labor and cost of reservoir not included in replacement cost.

The water department this past year renewed 11 house services from galvanized to copper tubing and we established 4 new services.

The Town in 1958 used 106,261,640 gallons of water.

Electric Department :

Considerable progress has been made in this department in the past three years. Revenue of the department has increased, the lines are in excellent condition, we have had continuous service, and many changes have been completed to make better service to the consumers. In the very near future, a greater portion of the revenue should be set aside for future expansion.

New line construction was made this year on Depot Street. This work was done to reduce the load on our main lines coming up Mill Street to Main Business. The new line on Depot Street will serve not only Depot Street, but Carr Avenue, Washington Street and South Main Street. The same construction is to be done this year on Winter Street.

The new line that follows the railroad tracks from the sub-station down to the Lakes Region Chipping Plant will enable us to connect Gallup Lumber Co., as well as a section of North Main Street. This again will reduce our load on the main line through the business district.

This past summer has been the first time for a number of years that the summer services in the Little Squam area have been able to have adequate service. This was accomplished by taking this load from the main line going through the business area and bringing the load through Thompson Street to River Street over to the Little Squam area. Two regulators were set by the Candle Court cabins on River Street to assure us that the load beyond this point would be adequate.

The tree trimming and tree removal program has been very successful again this past year. Our service has not been interrupted by falling limbs or trees. This coming year our tree work will not be as great.

The above accomplishments as well as the future plans are definite improvements in the system. Voltage will be more steady, as well as services to the consumer will be assured.

The Town is very fortunate that the latest increase by Public Service of New Hampshire did not include this system. The Town in the past has felt every increase that Public Service has ever been allowed.

Below are the figures on the cost of the sub-station and the line to the Lakes Region Chipping Plant. Bear in mind that Public Service would not increase their sub-station transformer bank for additional power to the town. It was the only alternative the Town could take or refuse the consumers

their request for more service. It was definitely a step in the right direction to keep your system in the black.

Permits and Licenses

Permits or licenses are necessary for the following and are issued by:

Town Clerk:

Motor Vehicle Tax
Dog Licenses
Burial Permits

Town Office:

Beano Licenses
Pistol Permits
Vendors
Building Permits

Forest Fire Warden:

Permission must be obtained from the Forest Fire Warden before kindling any fire out of doors including incinerators and outdoor fire places, except when the ground is covered with snow.

A seasonal permit may be issued at the discretion of the Warden.

Fishing & Hunting licenses are available from the following:

Ashland Gun Shop
Miner's Marine Basin
E. J. Paquette
The Y. D. Pharmacy

Town Warrant for 1959

State of New Hampshire

To the inhabitants of the Town of Ashland, in the County of Grafton in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the High School Auditorium in said Ashland on Tuesday the 10th day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary officers for the year ensuing.
2. Shall the Provisions of Chapter 171A of the Revised Laws, relating to playing games of Beano be adopted in this Town. (According to State Law this Article will appear on the printed ballot.)
3. Do you favor the continuation of the Town Manager Plan as now in force in this Town. (Petitioned by 10 legal voters). According to Law this article will appear on the printed ballot.
4. To see if the Town will approve and adopt the special recommendations of the Budget Committee and vote to raise and appropriate the various sums contained in the report and located in the Budget as follows:

Town Officers' Salaries	\$ 6,300.00
Town Officers' Expenses	4,630.00
Election and Registration	315.00
Municipal Court Expenses	300.00
Town Buildings & Property	2,835.00
Police Department	4,105.00
Fire Department	6,000.00
Care of Trees	1,000.00
Insurance	3,635.00
Planning Board	100.00
Civil Defense	150.00
Health Department	4,100.00
Vital Statistics	75.00
Town Dump	550.00
Town Maintenance	14,000.00
Street Lighting	5,000.00

Street Resurfacing	3,000.00
Libraries	1,200.00
Town Welfare	500.00
Old Age Assistance	6,000.00
Memorial Day & Care of Flag	165.00
Parks & Playgrounds	1,300.00

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

February 2, 1959

Board of Selectmen
Ashland, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Ashland for the fiscal year ended December 31, 1958, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Water and Electric Light Departments, Municipal Court and Library.

FINANCIAL STATEMENTS

Comparative Balance Sheets: December 31, 1957-December 31, 1958: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1957 and December 31, 1958, are presented in Exhibit A-1. As indicated therein, the Net Debt increased by \$372.42 in 1958.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Increase in Net Debt	
Long Term Notes Issued	\$ 4,700.00
Net Budget Deficit	5,833.27
Decrease in Account Receivable	99.15
	<hr/>
	\$10,632.42

Decrease in Net Debt

Long Term Notes & Bonds Paid	10,260.00
	<hr/>
Net Increase	\$ 372.42

Comparative Statements of Appropriation and Expenditures -Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1958, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4) a net overdraft of appropriations of \$6,239.15, less a net revenue surplus of \$405.88, resulted in a net budget deficit of \$5,833.27.

Summary of Receipts and Expenditures: (Exhibit B-1)

A summary of receipts and expenditures for the fiscal year ended December 31, 1958, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1958, is indicated in Exhibit B-2.

Statement of Indebtedness: (Exhibit H)

A statement of outstanding long term indebtedness as of December 31, 1958, showing annual debt service requirements is contained in Exhibit H.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collectors records.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased by \$5,932.42, from \$20,336.06 to \$14,403.64, during 1958, as shown herewith:

	December 31, 1957	December 31, 1958
Total Assets	\$101,183.19	\$76,726.50
Current Liabilities	80,847.13	62,322.86
Current Surplus	<u>\$ 20,336.06</u>	<u>\$14,403.64</u>

Town Treasurer's Surety Bond:

The surety bond of the Town Treasurer should be increased from \$5,000.00 to \$18,000.00, in order that the amount of the bond may be more commensurate with the amount of funds in the custody of the Treasurer.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Ashland for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Edgar O. Pesquera, Auditor
Dumont W. Bailey, Accountant

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Town of Ashland for the fiscal year ended December 31, 1958. In our opinion, the Exhibits included herewith reflect the true financial condition of the Town of Ashland on December 31, 1958, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Edgar O. Pesquera, Auditor
Dumont W. Bailey, Accountant

JAMES HARRIMAN

Chief of Police

Report of the Ashland Beach Development Association

Submitted herewith is a report of the Ashland Beach Development Association, outlining the progress of the project on the shores of Little Squam Lake for 1958. The purpose of the organization is to provide clean, safe and adequate bathing and picnicking facilities for the community. During the 1958 season, nearly \$1,000 was spent for improvements, maintenance and life-guard service, all monies having been raised through sources other than taxes.

Officers for the year were Chairman, Laurent J. Ruell; Co-Chairman, Lawrence L. Lee; Treasurer, Maude T. Bastow; Financial Secretary, Marion K. Merrill; Secretary, John R. Smith.

In order to curtail the movement of the sand through water action, a rock jetty was built on the channel side in the fall of 1957. A natural cove is being formed with the desired results; it is planned to make the jetty wider and longer.

In the spring of 1958, the annual membership tag drive was held to secure contributions for the project and offer tag-holders access to the beach facilities. Season tickets at a higher price were sold out-of-town patrons, and admissions were charged adults at the site.

The annual spring clean-up day, with members and high school students participating, removed many loads of debris, enlarged the picnic area, positioned the ten tables which have been donated to date, and otherwise readied the area for use. Two fireplaces have been built, while three bases await completion.

Five trucks were utilized in the extensive sand-hauling operation early in June, enlarging the beach frontage and covering some of the rough terrain.

The beach house received some attention by the volunteer workers, who removed the rear porch and built a new one on a firmer foundation. Further work of this type is planned.

The largest single money-raising project was sponsored by the Ashland Junior Woman's Club. The entire proceeds of a smorgasbord, attended by over 300 persons, were donated to the beach.

Maurice Bowler, principal of Belmont High School, again served as life guard and with his family, occupied the beach house. He was also grounds keeper and custodian of the bath house. This arrangement has proved very satisfactory in all respects.

The season officially lasted 11 weeks. During that period hundreds used the facilities in order and safety. Children from the Ashland Playground were driven to the beach for organized swimming and instruction twice a week by the playground director, Philip Morton, thereby providing safe transportation and supervision for the youngsters.

The organization is currently engaged in plans for the coming season and ways and means of raising the necessary funds; it is looking forward to a successful season with the continued support of the community.

Report of District Fire Chief

YOU CAN HELP PREVENT FOREST FIRES

Twenty-five percent of all forest fires in New Hampshire are caused from careless debris burning - brush, paper, leaves, grass, etc. Most of them are started without the required permit from the local forest fire warden. The cost of extinguishing these fires annually runs into large sums of money.

According to law, responsible parties must pay the cost of putting them out. In addition, violators may be subject to court prosecution with fines running as high as (\$200) two-hundred dollars.

In the interest of fire prevention why not eliminate burning at home? Use your town dump. It has been set up for your personal convenience. It provides a suitable place for the disposal of dangerous inflammable waste material and other useless items which accumulate around the home and local stores; brush, etc. cut on your property. Eliminate the hazard of burning yourself. It will be easier for you — personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden - the law requires it.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save Yourself Much Possible Difficulty.

Use Your Town Dump.

Number of permits issued — 94

H. C. HARTWELL JR.

District Fire Chief, Forest Fire Warden

Minutes of March 21, 1958

School District Meeting, Ashland, N. H.

Pursuant to the foregoing Warrant as legally published and at the time and place specified therein, the meeting was called to order by the moderator, the Warrant read, and the following action taken on the articles:

Article 1. On motion the clerk cast one vote for Richard B. Merrill for moderator, and he was duly sworn.

Article 2. On motion, A. K. Ober cast one vote for Lillian M. Young for Clerk, and she was duly sworn by the moderator.

Article 3. On motion the clerk cast one vote for Max Weisberg for Treasurer, and he was duly sworn.

Article 4. The moderator appointed Robert Roby, John Bilodeau and K. B. Nielsen as tellers in charge of ballots. Then Allen K. Ober, Mary W. Ruell, Merrick LaBrique and John Smith were nominated. John Smith declined to run. The result of the ballot was as follows: For 1 member for 3 year term: Allen K. Ober had 58 votes, Mary Ruell had 4 votes, Merrick LaBrique had 15 votes and Allen K. Ober was declared elected. For 1 member for 3 year term: Nominated: Mary W. Ruell, Merrick LaBrique. Results: Mary Ruell had 46 votes, Merrick LaBrique had 33 votes and Mary Ruell having a majority was declared elected. For 1 member for 2 year term: Nominated: Catherine Rockwood, Roger Calley and Merrick LaBrique. Result: 1st ballot: Catherine Rockwood had 39 votes, Roger Calley had 14 votes, Merrick LaBrique had 29 votes. Necessary for a choice, 42. There being no choice, a second ballot was announced. Then Roger Calley withdrew. Result 2nd ballot: Catherine Rockwood had 51 votes, Merrick LaBrique had 31 votes and Catherine Rockwood having a majority was declared elected. For 1 member for 1 year term: Merrick LaBrique, Ronald Abear, Howard Guyotte, and Roger Calley, who declined, were nominated. Result first ballot: Merrick LaBrique had 26 votes, Ronald Abear had 28 votes, Howard Guyotte had 27 votes. 81 votes cast. Necessary for a choice—41. There was no choice. Result second ballot: Merrick LaBrique had 25 votes, Ronald Abear had 27 votes, Howard Guyotte had 29 votes. 81 cast, necessary—41. No choice. Result third ballot: Merrick LaBrique withdrew before vote. Ronald Abear had 29 votes,

Howard Guyotte had 37 votes, Merrick LaBrique had 8 votes. 74 cast—necessary, 38. No choice. Result fourth ballot: Ronald Abear had 31 votes, Howard Guyotte had 45 votes, Merrick LaBrique had 3 votes. 79 cast. Necessary—40, and Howard Guyotte having a majority was declared elected.

Article 5. Motion to dismiss carried.

Article 6. Motion to accept the auditors report as printed in Town Report carried.

Article 7. Motion that the district raise and appropriate the sum of \$121,007.41 for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town. Motion carried unanimously.

Dr. Rockwood reported that both study committees, the Budget Committee, the Town Manager, the School Board and the Superintendent of Schools had met on Thursday evening, March 20, 1958 and discussed their problems openly and with great understanding, amicability and agreement on these points: 1. New rooms are absolutely needed. 2. Town economy can be pushed no further than what we can afford, that a 4 room school seems to be more equitable and in line with our economy. On motion it was voted to accept the reports of the committees as read and stated.

Article 11. For the sense of the people regarding the school building program, the members of the School Board presented the following in a printed ballot form:

“Circle your choice, one only:

Four room school with remodeling old building	Yes	No
Eight room school	Yes	No”

The moderator requested a written vote and results were as follows:

Four room school, etc.	Yes - 17
Eight room school	Yes - 24
Do nothing, or no opinion	No - 18

Following the announcement of the result of this opinion, Donald Bump offered this motion: That a 5 member building committee be named as follows: 1 member each from the School Board, the original building committee, the board of selectmen, budget committee—these to be appointed by the chairman of each group, and one member at large appointed by the moderator. Said committee to study plans and recommendations already made and to procure and present: (a) plans for an 8 room building (b) plans and recommendations for essential repairs of the present grade school building. The foregoing to be presented not later than June 1st at a special school meeting. Said committee being empowered to request of the budget committee a reasonable sum to carry out the above. Mrs. Margaret Whitcomb and Homer Young both offered amendments. After discussion, both motions, amendments and seconds were legally rescinded. Then Donald Bump offered the following motion, which carried by voice vote: That a 5 member building committee be named as follows: 1 member each from the original building committee, the board of selectmen, the budget committee (these to be appointed by the chairman of each group), and 2 members at large appointed by the moderator to work with the school board as one committee. Said committee to study plans and recommendations already made and to procure and present: (a) plans and cost for a 4 and 8 room building capable of expansion (b) plans and cost and recommendations for essential repairs of the present grade school building. The foregoing to be presented not later than June 1st at a special school meeting. Said committee being empowered to request of the budget committee a reasonable sum of money to carry out the above, if needed. Mrs. Whitcomb stated that there would be no charge for this special meeting.

Upon motion, the meeting was adjourned.

March 21, 1958

Report of Open Meeting — June 2, 1958

School Building Committee and School Board

The results of the Study Committee (voted at the March 21, 1958 meeting) were announced at an Open Meeting at 8 o'clock on June 2, 1958, at the School Gymnasium, with Thomas Pryor acting as Moderator for the Committee.

Homer Young, Chairman of the Committee, read its report and opened the meeting for discussion with all the members of the Committee present to answer questions.

Many details were requested regarding the types of heating, construction, cellar of the new prospective plant, together with many questions on the relative feasibility of improving the old buildings, particularly adding an extra room in the grade school by utilizing the boys' basement, capping the top floor, renovating the whole building; adding a room in front of the grade school; building a new grade school on the playground using the four-room plan as a nucleus, this being subject to future expansion by its nature; consolidating with Plymouth on the high school level; the problems of space in the high school in the future; the library requirements as set forth by the State Board of Education, together with other requirements as set forth in the past year by them; the population trends in Ashland schools in the past 50 years; adding another floor to the heating plant building; and many questions on the educational quality output of our graduates, the number thereof, and the comparison with other schools of like size and similarity. To the latter, Superintendent Heffernan stated our schools were of good quality and standards at the present time.

Then Town Manager R. Rhodes stated that he was concerned that at this meeting there were not enough pertinent questions being asked as to the effect of a new building on the financial position of the townspeople in relation to the tax cost to each home owner and property taxpayer; that based on the 1956 tax rate, at 3% interest for 20 years, a four-room school will increase taxes by \$2.45 and an eight-room school by \$3.94 per thousand. That within an expected five years, Ashland will have its sewerage problem to face which will again seriously affect the tax rate structure.

Then Chairman of the Board, Allen Ober, asked for an expression of opinion relative to a cooperative school, possibly with New Hampton and Sanbornton. Travel disadvantages, increase in taxes and further increase in future school costs were discussed.

At conclusion of the active discussion, Mr. Philip Morton asked for a collective opinion of the School Board, but Chairman Ober stated that it was up to the people to make up their minds.

It was reported by both the School Board and the Building Committee that neither had come to a definite decision as to the best solution to the problem. Mr. Philip Morton suggested that the School Board be polled for its opinion but no action was taken.

A straw vote was then taken for a concensus or expression of opinion of those present and voting on the proposed new building with the following results:

Total votes cast, 61. For 4-room school, 14. For 8-room school, 27. No opinion, 20.

The School Board and the Building Committee refrained from voting.

Meeting adjourned.

LILLIAN M. YOUNG, Clerk
Ashland School District

State of New Hampshire
School District Warrant

To the Inhabitants of the School District in the Town of Ashland qualified to vote in district affairs:

You are hereby notified to meet at the School Gymnasium in said district on the 20th day of March 1959, at seven-thirty o'clock in the evening, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To see if the District will vote to build and equip a new elementary school.
5. To choose the following members of the School Board: two to serve a term of three years, and one to serve a term of one year.
6. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
7. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the district will vote to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.

10. To see if the district will vote to adopt a non-partisan ballot system for the election of district officers, as provided by law, this action to take effect at the regular meeting in 1960.
11. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
12. To transact any other business that may legally come before the meeting.

Given under our hands at said Ashland this 2nd day of March 1959.

SUMMARY OF FINDINGS AND RECOMMENDATIONS

July 28, 1958

The School Board
Ashland School District
Ashland, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Ashland School District for the fiscal year ended June 30, 1958, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets (Exhibit A)

Comparative Balance Sheets as of June 30, 1957 and June 30, 1958, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$14,382.86, during the fiscal year ended June 30, 1958.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibit C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1958, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a revenue surplus of \$4,363.69, plus a net unexpended balance of appropriations of \$4,053.60, resulting in a net budget surplus of \$8,417.29.

Summary of Receipts and Expenditures: (Exhibit E)

A summary of receipts and expenditures for the fiscal year ended June 30, 1958, made up in accordance with the uniform classification of accounts in Exhibit E. Proof of the Treasurer's balance as of June 30, 1958, is indicated in Exhibit F.

Statement of Bonded Debt: (Exhibit G)

A statement of the bonded indebtedness of the School District as of June 30, 1958, showing annual debt service requirements, is contained in Exhibit G.

Statement of School Tax Account: (Exhibit I)

A statement of the School District Tax account with the Town of Ashland for the fiscal year ended June 30, 1958, is presented in Exhibit I. As indicated therein, the total amount of the 1957-58 School Tax was received from the Town prior to the end of the fiscal year.

GENERAL COMMENTS

Current Surplus:

It is noted that the current surplus (excess of total assets over current liabilities) increased from \$2,869.44 to \$8,252.30, during the fiscal year ended June 30, 1958, as shown herewith:

	June 30, 1957	June 30, 1958
Total Assets	\$5,020.08	\$9,111.66
Current Liabilities	2,150.64	859.36
Current Surplus	<u>\$2,869.44</u>	<u>\$8,252.30</u>

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that the summary of findings and recommendations (letter of transmittal) of this report shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Ashland School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Edgar O. Pesquera, Auditor
Hugh J. Cassidy, Accountant

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Ashland School District for the fiscal year ended June 30, 1958. In our opinion, the Exhibits included herewith reflect the true financial condition of the School District on June 30, 1958, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

Harold G. Fowler, Director
Div. of Municipal Accounting
State Tax Commission

Edgar O. Pesquera, Auditor
Hugh J. Cassidy, Accountant

Report of Superintendent of Schools

To the Members of the School Board
and Citizens of Ashland:

I hereby present my fourth annual report as Superintendent of Supervisory Union #2 which includes the Ashland Schools.

This past year has seen a great deal of focus both locally and nationally on our schools. The State Department of Education put into effect the "Minimum Standards," Dr. James B. Conant, president emeritus of Harvard, concluded his study of "The American High School Today," and Congress passed "The National Defense Education Act of 1958," which brings to our educational system new resources and encouragement at a time when they are critically needed.

The Minimum Standards, Conant Report and the Educational Defense Act have one thing in common and that is that every young person, from the day he first enters school, should have an opportunity to develop his gifts to the fullest. The Conant report brings out the fact that the most significant contribution the United States has made to the forward march of civilization has been the development of our pattern of public education, because this pattern reflects the ideals that have been characteristic of the Nation. The only way we can continue to do this is to help children think critically and clearly, distinguish between fact and opinion, statistical fallacy and basic truth.

Staff Changes

Mr. Charles Manos, a member of the Stevens High School faculty, replaced Mr. Robert Gilman who had served as principal for the past five years. Mr. Gilman assumed the role of assistant to the Superintendent in Rochester. Mr. Manos has had a great deal of experience on the staffs of Towel High in Newport and Stevens High in Claremont, and has put in operation many of the administrative and supervisory practices of the larger high school.

Mr. Samuel Worthen replaced Mrs. Janet Tibbets as instructor of English.

Mr. Thomas Coffey replaced Mr. William Heinz in the science department, and Mr. Hugh O'Donnell joined the staff as an additional teacher.

Mrs. Elizabeth Neilsen was the only new teacher in the elementary building, taking Mrs. Thelma Spohrer's place.

Mr. William Cowan is the new music supervisor in the junior and senior high classes. Mrs. Lumina Straw, R. N., took over the duties of Mrs. Helen Bellavance as school nurse-teacher.

Mr. Leonard DuGuay is the new custodian, replacing Mr. Peter Bellavance.

Each one of the new members of the staff have brought to the Ashland educational system a wealth of experience and educational background.

Building Program

During the past two years there has been a continuous building program study and nothing definite has been decided. The time has come when additional space is now urgently needed to relieve the crowded condition due to grade 6 occupying one of the rooms in the high school building and larger classes in the high school. It is hoped that the voters will see fit to make available an expandable unit to relieve the crowded condition and permit the high school to enrich its program in the language arts and business education areas.

Graduates

It would appear that the Ashland school system is meeting the needs of the boys and girls as members of last year's graduating class have taken the following positions in society: "Teachers' College — 3; post-graduate study — 1; technical training — 3; employed in business and industry — 8; Armed Forces — 1; housewife — 3; unemployment at present — 1.

Conclusion

This has been a very pleasant and enjoyable year as I feel we are continuing to move forward in enriching the experiences of our boys and girls. I wish to extend my sincere appreciation to the members of the School Board, staff and the citizens of the community for the excellent cooperation and assistance I have received.

Respectfully submitted,

MARTIN E. HEFFERNAN
Superintendent.

SUPERVISORY UNION #2

B u d g e t

The Supervisory Union Budget for the 1959-60 school year is apportioned among the five districts on the basis of the 1957-58 average daily membership and the 1956 equalized valuation as follows:

<i>District</i>	<i>Percentage</i>	<i>Supt's Salary</i>	<i>Travel, Sec. & Office exp.</i>
ASHLAND	19.56%	\$1,173.60	\$1,384.10
INTER-LAKES Meredith Center Harbor	41.91%	2,514.60	2,965.65
HOLDERNESS	12.47%	748.20	882.40
MOULTONBORO	16.11%	966.60	1,139.97
SANDWICH	9.95%	597.00	704.07
	<u>100.00%</u>	<u>\$6,000.00</u>	<u>\$7,076.19</u>

The Superintendent's salary this year is \$8,000. The Supervisory Union's share is \$5,500. and the balance of \$2,500. is paid by the State.

Principal's Report

The following is the annual report of the Principal of the Ashland Schools to the people of Ashland.

I was indeed pleased to be selected to come to Ashland as the Principal of your school system and to work under Superintendent Martin Heffernan. I am also gratified that the people of Ashland are so vitally interested in the educational program of the town. It is very essential to the welfare of any community that the citizens of that community and the schools work hand in hand.

Regarding the physical plant of the Ashland school system I would like to enumerate the changes which took place this last summer.

The laboratory was completely renovated with three new units installed for the students. A new work bench and demonstration table was installed for use by the instructor during demonstration of experiments. The floor was also sanded and sealed and the walls painted. The laboratory now would compare favorably with any in the state of New Hampshire.

In the basement room at the high school a new ceiling and new fluorescent lights were installed and the room painted to improve the appearance and usability of that room. The main room on the first floor, room 2 was completely renovated with walls painted, a new hardwood floor and new plastic top desks for the students. Also the principal's office was repainted.

We are very fortunate to have in Ashland a group of capable conscientious, qualified teachers, custodian and cafeteria workers. We are also fortunate in having an extremely interested and cooperative school doctor and two very efficient school nurses.

The first five grades are housed in the elementary building and the sixth through the twelfth in the high school building. I am looking forward to the time when the sixth grade will be moved from the high school building as the mixing of high school and elementary students is not a satisfactory arrangement.

This year, a new arrangement is being tried in the first and second grades. In addition to the usual conferences held periodically during the year, a written report is being sent home at the half year.

I would like to thank Mr. Heffernan, the Ashland School Board, the teachers and the pupils for assisting me in starting a very enjoyable and rewarding school year.

Respectfully submitted,

CHARLES L. MANOS

Report of School Nurse-Teachers 1958

Communicable disease checking daily 8-9 a.m.

Height and weight on each student, spring and fall.

Hearing tests on students in grades 1, 3, 5, 7, 11 with audiometer. Notices of defective hearing sent to parents.

Assist Dr. Rockwood, school physician, with physical examinations. Notices of defects sent to parents.

Vision of each student tested with Snellen Eye Chart. Notices of all defects sent to parents.

Hair, skin and scalp inspections on all students at regular intervals.

First Aid and emergencies cared for when nurse is at the school. Nurse is usually in the school buildings 8-9 a.m., 1-3 p.m. First Aid boxes maintained in each building. Health cards and records of each student.

Assisted with all clinics and follow-ups.

Participated in conferences with school personnel and parents.

Clinics—Patch tests on grade 1, February 1958. Dental clinics, 10 — treated 103 students. Mental health guidance clinics at Laconia, 8. Number students attended, 6. Immunization clinics in Plymouth, 2. Number students treated, 22.

Pre-school registration, May 1958.

Meetings attended by school nurse-teachers:

Spring Teachers' Institute, April 1958.

School Nurse-Teachers' Workshop at Plymouth Teachers College (2 weeks) June 1958.

Orientation Conference, Concord, N. H. - Sept. 16, 1958.

Teachers' Convention, School Nurse-Teachers Section, Manchester - Oct. 16, 1958.

School Nurses' Workshop, Littleton, N. H. - Dec. 8, 1958.

Respectfully submitted,

MRS. HELEN FISHER, R. N.

MRS. HELEN BELLAVANCE, R. N.

MRS. LUMINA STRAW, R. N.
