## Selectmen's Letter

---

To the Citizens of Ashland:

We are pleased to present to you the Annual Report of the Town of Ashland for the year ended December 31, 1960, and to thank the citizens and employees of the Town for their cooperation during this past year. It has been a pleasure to serve as your Board of Selectmen.

Bernard F. Avery

Homer N. Young

Philip P. Guyotte

The annual budget for 1961 has been presented to the Budget Committee. It is the recommendation of this board that the Town purchase a 4-wheel drive front end loader, a sidewalk plow and a 2½ ton truck for new equipment in the Highway Department. By raising \$6,525.00 this year and borrowing the balance of \$15,000.00 over a period of five years at \$3,000.00 per year, plus interest, this will put no great strain on the budget as we have finished payments of \$2,350.00 on the Fire truck and \$3,460.00 on the Beach property.

The Electric Department has had one of the best years on record. They made a net profit of \$11,082.25 after paying the Town \$1,050.00 in lieu of taxes, and assuming payment of the Sub-Station notes of \$3,000.00 plus interest. This profit will be placed in reserve for depreciation of the system to defray the costs of any emergency which might arise. The lines, too, are in excellent condition, which is proven by the lack of any serious outage during the past year.

The Water Department too had a good year. As of December 31, 1960 they had a net profit of \$1,993.96 after paying \$700.00 to the Town in lieu of taxes, and have an accounts receivable of over \$3,000.00, much of which has been collected since January 1. This amount will be placed in reserve for depreciation to defray any costs of an emergency, should one arise.

Also the Jackson Pond Dam has been rebuilt. By raising this, it is anticipated the Town will save 138 million gallons of water.

Then, too, all Main Gate Boxes on Main Street have been raised at the time when Main Street was resurfaced.

The Town's fiscal year ended with a net unexpended balance of appropriations of \$6,030.79, plus a revenue surplus of \$1,440.07, which gives us a net Budget Surplus of \$7,470.86. This is returned to the general fund for the reduction of taxes.

The Highway Department has accomplished the resurfacing of Owl Brook Road from Route 3 to Highland Street, thereby removing another section of gravel road which now, will require less maintenance.

Also, the program has been continued for the resurfacing of streets in Town.

# Division of Municipal Accounting

State Tax Commission

Concord, New Hampshire

## SUMMARY OF FINDINGS AND RECOMMENDATIONS

February 9, 1961

Board of Selectmen  
Ashland, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Ashland for the fiscal year ended December 31, 1960, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

### SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Water and Electric Light Departments, Municipal Court and Library.

### FINANCIAL STATEMENTS

**Comparative Balance Sheets: December 31, 1959 - December 31, 1960** (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1959 and December 31, 1960, are presented in Exhibit A-1. As indicated therein, the Net Debt decreased by \$8,065.43 in 1960.

**Analysis of Change in Financial Condition** (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

#### Decrease in Net Debt

Net Budget Surplus	\$7,470.86
Long Term Notes Paid	8,810.00
Bonds Paid	2,000.00
	<hr/>
	\$18,280.86

### Increase in Net Debt

Long Term Notes Issued	\$8,000.00	
Decrease of Accounts Receivable	2,127.93	
1959 Tax Collector's Excess Credits	87.50	
		10,215.43
Net Decrease		\$ 8,065.43

### Comparative Statements of Appropriations and Expenditures Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1960, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of \$6,030.79, plus a revenue surplus of \$1,440.07, resulted in a net budget surplus of \$7,470.86.

### Summary of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1960, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1960, is indicated in Exhibit B-2.

### Statement of Indebtedness: (Exhibit H)

A statement of outstanding long term indebtedness as of December 31, 1960, showing annual debt service requirements, is contained in Exhibit H.

### AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

### Current Surplus:

The current surplus (excess of total assets over current liabilities) increased by \$5,255.43, from \$1,130.74 to \$6,386.17, in 1960, as shown herewith:

	December 31, 1959	December 31, 1960
Total Assets	\$77,883.94	\$81,766.03
Current Liabilities	76,753.20	75,379.86
Current Surplus	<u>\$ 1,130.74</u>	<u>\$ 6,386.17</u>

### Surety Bond of Town Clerk:

The surety bond of the Town Clerk should be increased from \$1,000.00 to \$2,000.00, in order that it may be more proportional to the amount of funds received by this official.

### Uncollected Taxes - Prior Years' Levies:

### Unredeemed Taxes - Prior Years' Levies:

It is noted that there are substantial amounts of uncollected and unredeemed taxes on account of levies of 1959 and prior years. These were as follows:

	Uncollected Taxes	Unredeemed Taxes
Levy of 1959	\$ 466.27	\$3,888.70
Levy of 1958	3,356.56	1,427.78
Levy of 1957	1,397.60	1,010.53
Levy of 1956	1,120.08	353.83
Levy of 1955		754.80
Levy of 1954		254.28
	<u>\$6,340.51</u>	<u>\$7,689.92</u>

A serious effort should be made to collect the taxes on the warrants of 1959 and prior years. If it is found that any of the taxes thereon are uncollectible, such taxes should be abated.

Tax deeds should be given to the Town by the Collector on properties represented by the unredeemed tax liens from the tax sales on account of the levies of 1957 and prior years, since the two year redemption period provided by law has expired.

All real estate on which there is delinquent taxes should be included in the collector's sale, with no exceptions.

**Conclusion :**

The Trustees would like to acknowledge with sincere appreciation:

1 year's subscription to American Legion Magazine —the gift of Dupuis-Cross Post American Legion.

For the second time 1 year's subscription to American Heritage magazine, the gift of Mrs. George H. Whipple, Rochester, N. Y.

Autographed copy "Dark Music", gift of the author Mr. Wilbur Chapman Goodson.

The voluntary contribution of a High School student, Lee Roby, who has arranged and is conducting a weekly story telling hour for the youngest Library patrons.

Mrs. Thomas Pryor's valuable assistance each year with the Christmas decorations.

The faithful efficient service of our Librarian, Miss Frances Platt.

Also, we would add a special thank you to our past and present custodians, Mrs. Ada Vallier (who served between fifteen and twenty years) and Mrs. Delsie Brazeau respectively. Their contributions in this capacity have been and are a large factor in making our Library one in which every citizen can take justifiable pride.

Respectfully submitted,

PAULINE L. PACKARD

## Report of Public Health Nurse

---

A Salk Vaccine Clinic was held for the "fourth of booster" polio shots for school children on June 3, 1960. A total of 336 children received the protection against polio. This clinic was held in cooperation with the schools, and Local Ashland District Nursing Association. Dr. Lawrence Rockwood, School Physician, administered the vaccine.

The Tuberculosis program is now under the N. H. Department of Health in cooperation with the N. H. Tuberculosis Association. Chest clinics for examinations and x-rays are held at Plymouth three times a year and residents of Ashland are welcome to attend. The Doctors and Nurses in town are notified in advance of the clinic and notices of clinics are sent to the local papers. A report is sent to patient or referring physician soon after the clinic is held.

I wish to take the opportunity, at this time, to thank all who have assisted in any way in the program in the past year.

Respectfully submitted,

LOIS B. REED, R. N.  
Public Health Nurse

# Forest Fire Warden's Report

## PREVENTION IS YOUR BUSINESS

---

Carelessness, HUMAN CARELESSNESS, causes 9 out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents 5 percent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, buildings, grazing and wildlife are destroyed - all because MANY are CARELESS with fire in and near woodlands. This can be remedied. YOU can put an end to this shameful waste! PREVENTION is YOUR business!

YOU, whether YOU be a farmer, homemaker, business or professional man or woman, municipal, state or federal official, clerk or woodsman can play an important part in the continuing and vital prevention program.

First - by setting a good example YOURSELF - being sensible and complying with the necessary laws and regulations governing the use of fire in and near woodlands.

Second - by using YOUR individual influence in your community and valued council with others in insisting and encouraging them to do likewise.

The following simple rules may be used as a guide both for YOU and for them.

1. Before burning, secure a permit from your local forest fire warden - the law requires it.
2. Be sure to properly supervise your burning - don't leave it.
3. Make certain your fire, camp or debris, is DEAD OUT before leaving it.
4. Don't throw down lighted matches, cigars and cigarettes or from moving vehicles - make sure they are out - use your ash tray.
5. Don't burn at home - use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires—none      Number of acres burned—none

Number of permits issued 109

## School District Meeting, Ashland, N. H.

---

Pursuant to the foregoing Warrant as legally published, the meeting was called to order at 2:00 P. M. at the School Gymnasium by Moderator Thomas Pryor, and the Warrant read. The polls were declared open. At 8:00 P. M. the polls were declared closed and the meeting opened with remaining articles and were acted upon as follows:

Article 1. The voting being under the Non Partisan form of balloting, beginning this year, a secret ballot was used. Ruth Ober and Dorothy Dupuis were sworn in as Ballot Clerks by the Moderator, the ballots counted and the Polls declared open at 2:00 P. M. and declared closed at 8:00 P. M. prior to the taking up of the remaining articles of the Warrant. Following this the ballot box was opened, ballots counted and the following results announced by the Moderator:

Total ballots cast: 104; total ballots unused: 330.

### **School Board members for 3 year term:**

Carlton Beard had 74 votes

Catherine Rockwood had 83 votes and were declared elected and were sworn in.

### **School Board member for one year term:**

Eleanor Hall had 58 votes and was declared elected.

### **School Clerk ensuing year**

Lillian M. Young had 90 votes and was declared elected.

### **School Treasurer**

Max Weisberg had 87 votes and was declared elected.

### **Moderator**

Thomas Pryor had 93 votes and was declared elected.

Article 2. School Board member Catherine Rockwood moved that, since the members of the School Board are to receive no salary or reimbursement in any form, the first part of the article be dismissed, and that the salaries of the following as proposed in the budget be approved, namely: clerk, 15.00; moderator, 15.00; treasurer, 150.00 book-keeper, 300.00; censustaker, 25.00; and truant officer, 25.00. Seconded and the vote was in the affirmative and was so declared.

Article 3. George A. Ober moved to accept the article as printed in the Annual report. Seconded and vote was in the affirmative and was so declared.

Article 4. Mary Ruell, Chairman of the School Board, moved that the sum of \$120,091.18 be appropriated for the support of the schools. Not seconded and the motion was lost. Ralph Lyford moved that the budget be discussed item by item and then vote on the total appropriation. Seconded and vote was in the affirmative and was carried.

Item 1, 2, 3, and 4 — held no discussion.

Item 5 — Supplies & Expenses:

School Board Member Norman moved that this item be cut by \$116.37, because of a balance of \$620.00 in last years' budget from the participating districts, which should be returned to respective towns to be applied to 1960 budgets. Ashland's share being the above amount. Seconded, affirmative vote and was so declared.

Item 6 — Instruction:

Ralph Lyford asked why the increase in teacher's salaries and Mary Ruell replied, that the Board felt we now had an excellent teaching staff and to retain it and not revert to Ashland being a training ground for new teachers, that the Board was trying to meet State averages, which even the proposed raises did not do.

Mr. Norman of the Board stated that the teachers were not over paid and were below State averages, but asked how can we afford to increase the salaries when operational costs were increasing. He suggested that two teachers be cut from the staff and the Headmaster take over their classes. He moved to reduce this item by the exact sum of \$8,000.

Much discussion followed: Lumina Straw and Catherine Rockwood asked who and how was this to affect and be accomplished.

Mr. Robert Walker asked how necessary were the so-called extra teachers to retain our standing as a High School in the State.

Dr. L. Rockwood asked why this hadn't been broached to the Budget Committee. Then he added that in the last four years vast improvement had been made in our Educational Program and that for one, he was proud of the High School, teachers, and School Board. Also, that the Town should consider if it was wiser to spend this money than to end up later paying tuitions for those children who had a legal right to obtain adequate schooling, if it wasn't available here.

Member Norman replied: I have not recommended that a single course be dropped, only that you can only get teacher's salaries up by keeping operational costs down. No school will ever be any better than its teachers.

Miss Morrison spoke regarding headmaster's duties and felt from her own past experience that the load was heavy enough with the duties of three buildings without teaching, too.

Member C. Beard asked why Mr. Norman hadn't brought this before the School Board earlier.

Chairman Ruell said Mr. Norman had hinted at but never fully brought this matter out. And that Mr. Norman hadn't been present at the Budget Meeting.

Mr. Norman replied that he had tried to, but they hadn't wished to listen.

Mr. Paul Paquette asked if the Driver Training would make the children any smarter.

Mrs. Ruell replied all we can do is cultivate what they have. That education had been stepped up in the past years and gave as an example that arithmetic taught a few years ago as a high school problem was now being given to pupils in the fourth grade level. Also, that under the Driver Training program there was a refund based on the course taken of \$5.00 to \$10.00 per pupil.

Headmaster Manos, not being a legal voter in Ashland, asked to be allowed to speak to the assembly. It was moved and seconded by the assembly and the vote was carried.

In answer to a question by Mr. Roger Guyotte, Mr. Manos replied that all the driver training students had passed the written test, three had passed the driving test. That in the second semester that there were 29 pupils, 21 taking the driving and written course and 8 the written course only. That these lessons were after school hours and on the teacher's own time.

Moderator Pryor told the assembly that the motion before the house was to reduce this item by \$8,000. Motion was not seconded and was lost.

Item 7 through Item 21 — no discussion

Item 22. New Equipment:

The School Board was asked to explain what this new equipment was. Chairman Ruell replied it was for a combination of equipment for both the old and new buildings, and gave an accounting for what it was to be used.

Ralph Lyford then questioned why the additional money for equipment for the new school when at the Special Meeting it was voted that \$77,000. would cover all expenses, including new equipment.

Mrs. Ruell replied that a Committee comprising twenty business people had met with the Board at that time and it had been the consensus of the people who were there, that the building ought not to cost more than \$70,000. An architect was contacted and he thought that amount to be adequate. But when the bids had come in and were opened (of which there had been six contractors that had been offered bids, but only five had been returned) the bids ranged from \$73,990. to \$81,809. Then, the building was gone over to see where costs could be cut without destroying the quality of the building. Even so, this still left them \$2,500. short for equipment. The School Board accepted the lowest bid and signed a contract with J. P. Leighton Construction. Some furniture is available in the old building, but two rooms are left to equip. Too, she reminded the assembly not to forget that the School would receive aid from the State of 30%.

Member Norman then referred to the School Report 1960, Page 109, Article 2 of that Warrant.

"To see if the District will vote to raise and appropriate a sum not to exceed \$77,000.00 for the construction of a four-room elementary school, including architect's fees and furniture, furnishings and equipment, and in order to provide such funds to authorize the School Board to borrow the amount voted and to issue serial notes or bonds in the name and on the credit of the District, and to fix the time and place of payment, the rate of interest, terms, maturities and provide for the sale thereof, all in accordance with Chapter 33, New Hampshire Revised Statutes Annotated (1955) known as the Municipal Finance Act, and any amendments applicable thereto."

He then stated that no bid in to date qualifies for that vote of the people. That the School Board had accepted a bid that did not qualify for the article. And, too, that the term was voted for twenty years and that they had floated it on a fifteen year basis.

CHAIRMAN RUELL replied that the Board had done it that way to save money. That by using the 15 year payment it would save the District \$8,039. in interest.

It was asked who had signed the contract and Mary Ruell and Catherine Rockwood both replied that they had been signers.

Mr. Norman replied that while they were on the subject of signing, that he objected to his name being on the Warrant as published in the Report as he hadn't signed same.

Chairman Ruell replied that she would like to clarify this. The Warrant had been typed for the printer and his name had been typed along with the rest of the School Board as the School Board and she was sorry that this error had occurred but it had been reasonable to suppose that he would sign the warrant and that this was the only explanation for his name appearing on the Annual Report Warrant as published.

Mr. Charles Hall then moved that the appropriation of \$138,-415.41 be raised for the support of the schools. It was seconded and then it was requested by the assembly that the vote be taken by a show of hands. The vote was as follows:

59 — for                      4 — against

The vote was in the affirmative and so declared.

Article 5. It was moved by Catherine Rockwood that the School District vote to raise and appropriate the sum of five thousand sixty-five dollars and eighty-one cents (5,065.81) to meet the emergency expenditure for making the necessary repairs and additions to the elementary and high school, and such funds to be made available on or before June 30, 1960. Said appropriation for emergency expenditures was authorized by the Budget Committee and the State Board of Education in accordance with Chapter 32, Section 10, R. S. A. as it relates to the Municipal Budget Law. It was seconded, vote was in affirmative and was carried.

Article 6. It was moved by Mr. W. Norman that the School Board be authorized by the District to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States. It was seconded and vote was in affirmative and was so declared.

Article 7. It was moved by Member Howard Guyotte that the School Board be authorized to appoint Agents; Auditors and Committees whenever necessary, Seconded, vote in the affirmative and was so declared.

Article 8. It was moved by Marion Merrill and seconded by the assembly that a rising vote of confidence to the School Board. Vote was in affirmative and was so declared.

Mr. W. Norman then spoke of the Building Fund Book being kept by Mr. Heffernan, (Superintendent) in the Meredith office. His thought was that the books were supposed to be kept in Town, and he for one was voicing his objection.

Chairman Ruell replied that Mrs. Gretchen Russ had enough to do with the regular books for her \$300.00 a year and that Mr. Heffernan had offered his services and that she thought it very considerate of him.

Then, she stated that she thought it would be appropriate to name either the new building or a room such as the library in memory of Allen K. Ober and made the following motion:

I move that the new building to be constructed be named for Allen K. Ober, in memory of the man who served us so well, and that a plaque be placed in the lobby. Seconded and the vote was affirmative and was so declared.

Upon motion, the meeting was adjourned.

## SUMMARY OF FINDINGS AND RECOMMENDATIONS

July 21, 1960

The School Board  
Ashland School District  
Ashland, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Ashland School District for the fiscal year ended June 30, 1960, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

### SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

### FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1959 and June 30, 1960, are presented in Exhibit A. As indicated therein the Net Debt increased by \$70,260.44 during the fiscal year ended June 30, 1960.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein. These were as follows:

#### Increase in Net Debt

Bonds Issued	\$77,000.00	
Cash Surplus Used to Reduce School Tax	4,312.07	
	<hr/>	\$81,312.07

### Decrease in Net Debt

Long Term Notes and Bonds Paid	\$ 9,000.00	
Net Budget Surplus	2,051.63	
	<hr/>	11,051.63
Net Increase		<hr/> \$70,260.44

### Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1960, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a net unexpended balance of appropriations of \$916.26, plus a revenue surplus of \$1,135.37, resulted in a net budget surplus of \$2,051.63.

### Summary Statement of Receipts and Expenditures: (Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1960, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of June 30, 1960, is indicated in Exhibit F.

### Statement of Building Fund Account: (Exhibit H)

A statement showing the activity in the Building Fund account during the year is presented in Exhibit H.

### Statement of School Activity Accounts: (Exhibit I)

A summarized statement of the School Activity accounts is included in Exhibit I.

### Statement of Bonded Debt: (Exhibit J)

A statement of the outstanding bonded indebtedness of the School District as of June 30, 1960, showing annual debt service requirements, is contained in Exhibit J.

## GENERAL COMMENTS

### Current Surplus:

It is noted that the current surplus (excess of total assets over current liabilities) decreased from \$4,312.07 to \$2,051.63, during the fiscal year ended June 30, 1960, as shown herewith:

	June 30, 1959	June 30, 1960
Total Assets	\$5,048.27	\$62,566.85
Current Liabilities	736.20	60,515.22
Current Surplus	<u>\$4,312.07</u>	<u>\$ 2,051.63</u>

### Pre-payment of 1960-61 School Tax a/c Deficiency Approp.

A pre-payment on account of the 1960-61 School Tax in the amount of \$5,065.81, representing the deficiency appropriation for the fiscal year 1959-60, was made by the Town to the School District during the fiscal year ended June 30, 1960. Therefore the amount of the 1960-61 School Tax which the District will receive during the fiscal year ending June 30, 1961, will be reduced by \$5,065.81.

### Conclusion:

The provisions of Chapter 184 of the Laws of 1955 require that the summary of findings and recommendations (letter of transmittal) of this report shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Ashland School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director  
Division of Municipal Accounting  
State Tax Commission

Edgar O. Pesquera, Auditor

# Report of Superintendent of Schools

---

To the School Board  
and Citizens of the Ashland School District:

I respectfully submit my sixth annual report as your Superintendent of Schools.

## General

The past decade has certainly seen a tremendous expansion of education and a tremendous growth of concern about it. Future historians, looking back upon this era, will be torn between referring to it as "The Atomic Age" and the inclination to describe it as "The Age of Education". The unlocking of the secrets of atomic energy, travel in outer space and under water, and the advances of communication through the media of television are but a few of the accomplishments that may be credited to education.

As we approach the annual School District Meeting the big question in most minds will be, How can the amount and quality of education needed by children and young people in the modern world be financed? It appears that the tax on the local level from property taxes has reached its peak, and so at this session of the legislature the State Board of Education is recommending more foundation aid, school building aid and transportation aid.

At the present time approximately 90% of all school costs are paid with money raised by the local property tax and one-half of the school districts earmark over 63% of all local property taxes for school purposes.

Article 83 of the Constitution of New Hampshire makes it clear that the state is responsible for the education of its youth:

"Knowledge and learning . . . being essential  
. . . it shall be the duty of the legislators  
. . . to cherish the interests of . . . public schools".

## Supervision and Instruction

Much is being written today about educational quality and certainly quality is being emphasized in the Ashland Schools. In reviewing the test results, one is thrilled to see the objective evidence of outstanding pupil progress.

The big job in meeting the international problem confronting us today appears not to be a "crash" program of math and science, but one of increasing the knowledge about other peoples, their hopes and fears, how they think, what we mean to them, how much or how little they know about us, and learning a bit about their language.

With the knowledge of how other people live, work and play we can help the boys and girls of a free society make decisions. Not by dictatorial methods, not by permissiveness, but by planning with them, leading them to see all sides of a problem, can we train them in the art of deciding wisely. This is the foundation of freedom. It has been said, "That person is free who recognizes himself as the author of the laws he obeys".

## **Staff**

Mr. Charles Manos, who had served as principal for the past two years, accepted the position as Principal of Memorial High School in Middleboro, Mass.

Mr. Kent F. Bailey, a graduate of Keene Teachers College and teacher-principal at Antrim High School, was elected as Principal.

We are indeed fortunate in having such a small change in staff this past year. Mrs. Beverly Morton accepted a position in Gorham with her husband, and Mrs. Beverly Zampieri returned as teacher in Grade 3. Mr. Owen Moody joined the staff at Vermont College and Miss Pauline Dallaire, of Lincoln and a graduate of Plymouth Teachers College, was elected to fill the vacancy.

## **Dedication of Allen K. Ober School**

The Allen K. Ober School, a new four room unit was dedicated in December in memory of the late Allen K. Ober. Mr. Ober was chairman of the School Board at the time of his death. The school was occupied in November by grades one through three, with the former elementary school housing grades four through seven, and grades eight through twelve in the high school.

## **Building Maintenance and Equipment**

Mr. Leonard Duguay is doing an excellent job in taking care of the buildings and grounds. Each summer and vacation period the buildings are given a thorough cleaning. Additional help is needed to handle the daily cleaning as there are just not enough hours in the working day to see that all of the areas receive a daily cleaning.

## **Transportation**

The transportation of the children in any district presents a big problem, especially in the winter time, and we are very fortunate in having transporters that are so capable and understanding of their job. There are many opportunities for chances to do some good teaching while pupils are in transit, and with such qualified drivers, I know that many points of how to get along with one's neighbor are brought into play.

## **School Lunch Program**

The lunch program is operating very efficiently under the supervision of Miss Alma E. Avery with the assistance of Mrs. Irene L. Berry. Mrs. Katherine Keefe, who operated the program for a number of years, decided to retire. It is very interesting to see how the program is operated so that it becomes another learning and exchange of ideas opportunity.

## **Recommendations**

A payment of \$4,000.00 on the gymnasium will be due in October of this year, and final payment of \$2,000.00 will be due in October of 1962. It is recommended that plans should be made to add rooms to the Allen K. Ober School in the near future due to the present size of the grades.

With the large enrollment anticipated for grades three and four, an extra teacher should be employed and a combination grade placed in the elementary school. Grade seven should be placed in the basement of the high school. The placing of this grade in a basement room is not an ideal situation, but large enrollments in grades three and four necessitate such a move.

## **Conclusion**

In closing, I want to thank the school board for its excellent support and for its display of fine judgement in connection with the handling of problems attendant under the operation of the school.

I also wish to express my personal appreciation to all my fellow workers, teachers, nurse, doctor, custodian, lunch program supervisors, transporters, substitute teachers and members of the community who have shown such willing cooperation in getting the job done.

MARTIN E. HEFFERNAN

Superintendent of Schools

## SUPERVISORY UNION #2

### B U D G E T

The Supervisory Union Budget for the 1961-62 school year is prorated among the five districts on the basis of the 1959-60 average daily membership and the 1958 equalized valuation as follows:

District	Percentage	Supt's Salary	Travel Sec. & Office exp.
ASHLAND	18.95%	\$1,326.50	\$1,301.57
INTER-LAKES Meredith Center Harbor	42.44%	2,970.80	2,914.96
HOLDERNESS	11.09%	776.30	761.71
MOULTONBORO	17.55%	1,228.50	1,205.42
SANDWICH	9.97%	697.90	684.79
	<hr style="width: 50%; margin: 0 auto;"/> 100.00%	<hr style="width: 50%; margin: 0 auto;"/> \$7,000.00	<hr style="width: 50%; margin: 0 auto;"/> \$6,868.45

The Superintendent's salary for 1960-61 is \$9,000. The Supervisory Union's share is \$6,500.00 and the balance of \$2,500.00 is paid by the State, from the fund established by the per capita tax of \$2.00 for each resident pupil.

# Report of Principal

---

I would like to take this opportunity to present the people of Ashland my first annual report.

## Curriculum:

The curriculum of Ashland High School was expanded this year to meet increased enrollment needs. The large size of some classes has made it possible and necessary to divide them homogeneously. Homogeneous grouping makes it possible to instruct students on their own ability level.

Two courses were added to our course of study this year, Economics and Music Appreciation. The latter was necessary in order to meet our fine arts requirements for a "Comprehensive Approved" program.

## Library:

The high school library, which was organized a year ago, is a great asset. We find that our greatest strength at present is in our supply of math and science books. The reason for this is because of the assistance we receive from the circulating library which has been set up on both the state and the nation level.

The other areas that have been expanded are the reference shelves, with a new set of "Americana Encyclopedia", and the literature section with about forty new fiction and non-fiction books.

The supply of reference and reading books in the elementary school is still very lacking. However, it is our intention and plan to add a few books each year to the library shelves within each of the elementary rooms.

## Physical Plant:

The completion of the Allen K. Ober School made it possible to move the fourth and fifth grades from the top floor of the old elementary building and complete the plans of closing off the top section.

Added to the Allen K. Ober School since opening day have been window shades in the nurse's room, teachers' room

and in grades two and three. Each of the four classrooms also contains two wardrobes which were constructed by Mr. Bartlett. The wardrobes serve a dual purpose as bulletin board and cloak closet.

#### **School Staff:**

We are at present very fortunate in having a veteran teaching staff. A stable staff makes for a smoother program and also more curriculum continuity.

It is hoped that in the near future the teacher load can be reduced in many areas. If this were done the teachers would have more time for individual problem areas.

I would like to take this opportunity to thank Mr. Hefernan, the School Board and the Teaching Staff for the assistance they have given me in my first year as principal of the Ashland Schools.

Respectfully,

KENT F. BAILEY

Principal

## School Health Services

---

January 1, 1960 - January 1, 1961

Once again we take this opportunity to give you a brief description of what we are doing concerning the health of school children.

The usual screening tests were done on vision and hearing and any defects noticed were brought to the attention of the parent.

Heights and weights are done routinely on all children.

Hair and scalp inspections are done in the fall and spring unless otherwise indicated.

Physical screening examinations were done by the school physician, Dr. Rockwood, on all school children and also those going out for sports with the school nurse assisting.

Recommendations were made to improve any defects found.

Frequent inspections are made throughout the year to check skin for contagious infections.

Oral check on students for trench mouth was done also.

Communicable diseases were varied, mostly colds and rash by German measles and virus infection.

Pre-school registration records were taken on health and some hearing tests were done on these pre-schoolers.

Mrs. Madeline Givens, State Dental Hygienist, was present to check the children's teeth and instruct mothers on the care of children's teeth. Each child was given an oral B tooth brush.

We have a Future Nurses' Club in the high school. We were quite active throughout the past year.

There were twenty dental clinics held throughout the year with Dr. Crowell as dentist assisted by the nurse. Ninety-nine children were treated at these clinics.

In June the school children were given the opportunity to receive their fourth polio shot at a clinic held at the gym.

The school nurse checks pupils in the morning at school from 8 to 9 A. M. when they have been absent to be sure they are ready to return to school and also at 1 P. M.

Throughout the year children have been seen at the Child Guidance Clinic and some at the Mentally Retarded Clinic. These clinics have been helpful in solving problems that have arisen.

We were fortunate when the new building was built to have a health room where we can carry on all our testing and examinations in one place.

The nurse is at school from 8 to 9 A. M. and 1 to 3 P. M. every day routinely. When necessary more time is spent at the school.

Many home visits are made by the school nurse concerning the welfare of the children.

We are very glad to have any parent consult us when they feel the desire to do so by making an appointment ahead of time so that they will be sure to find us free to consult with them. We had many telephone conversations with parents.

Health conference was held with all teachers present, one afternoon with Dr. Rockwood briefing what we are trying to accomplish in the health field, and Lumina Straw, R.N. explaining the Child Guidance Clinic and what it offers.

We attended a two week summer course at Plymouth Teachers College to earn our credits which is a State recommendation.

There are many small details too numerous to mention that are carried on throughout the year by the nurse.

Total number of check-ins after illness	2,456
First aid treatment	553
Total number of dental clinics	20
Children treated at dental clinic	99

Polio clinic for 4th shot, June 3, 1960	336
Children taken or sent home ill by nurse	104

Chicken Pox	3
Mononucleosis	1
Trench mouth	1
Athlete's foot	2
Scarlet fever	1
Eye infections	6
Swollen glands	Many

\* Some of these may have been virus infection

Nurses attended meetings and workshops pertaining to school health during the year to keep up with progress in the health field.

We also had conferences with state workers pertaining to our work and pupils.

Respectfully submitted,

HELEN H. FISHER, R.N.

LUMINA STRAW, R.N.
