Selectmen's Letter

1965

To the Citizens of Ashland:

Another eventful year has drawn to a close, and once again we take this opportunity to inform you what has transpired in your Town during the last twelve months and what the Board aspires to accomplish in 1966.

Early this year we ran an article in the Town Office News Items requesting Town Report issues dating from 1868 through 1964. Excepting twenty-two copies dating from 1868-1890, through the cooperation of many Citizens, we have gathered together all others. We still are in hopes to find the remaining copies so that a complete set will be available for Town use. As soon as we have, we will have them bound in two-inch volumes so that they will be permanent records for the Town of Ashland.

Through the encouragement of the Planning Board, we conducted a survey among the merchants to decide on a parking ruling on Main St. in order to create a more favorable shopping arrangement - more business for Ashland - plenty of parking space etc. It was determined that a 2-hour parking privilege along both sides of Main St. would be ample and therefor, an ordinance was prepared and executed. It has proven to be most successful and we commend you on your cooperation.

The option of the Cote-Goud land, as voted last March meeting, was accepted in the sum of \$5,800.00. (The land being necessary for the sewage program as a lagoon site.) Upon completion of this transaction an application for a sewage grant loan was filed with FHA. In the Spring the Board was notified that said loan was granted in the sum of \$45,000.00 for final preparation plans. (The estimated cost of this project being \$900,000.) In conjunction with this, Metcalf & Eddy, Engineers of Boston sent a survey team to Ashland in August, who plotted the area to be covered in this program. Construction must be started this year and Ashland sewage must be out of the river by 1968.

There will be an article in the Warrant this year to purchase a 32 acre tract from Lawrence and Doris Spaulding which abuts the Cote-Goud land. This area will serve a two-

fold purpose, one - sand and gravel for the Town; two - additional land for the lagoons.

WATER - water was at a premium this past year - Squam River was a stream and unnavigable even for row-boats - lack of adequate rainfall necessitated a general water restriction on outside use, on all buildings serviced by the Water Department, throughout the summer. The Board, working with interested Citizens, prevailed upon the State of New Hampshire to dredge the channel of Squam River. This operation was started June 8th which deepened the Channel from Owl Brook to Miner's. Although this wasn't a cure-all, for rain was what this area needed, it did alleviate the condition somewhat.

On October 4th, the re-facing of the dam at the source of supply was begun. The dam was originally built seventy-two years ago and no work has ever been done on it. The average depth of re-facing was somewhat over 12" with reinforcing steel rods 12" on centers. The top of the dam and spillway was recapped with cement and reinforced screening. As pictured on the cover of this report, one sees the task of the Persons Concrete Corp. of Winnisquam to place the forms preparatory to the pouring of the face; and then the final dam - re-faced. The contracted price was \$4,130.00. The original dam plus the work done as outlined above should amply take care of any further problems.

In July the State of N. H. passed a new Junk Yard Law. In brief, this law eliminates the eyesore of our beautiful countryside by requiring that unlicensed and uninspected vehicles not fit for highway use be removed from all property within 300 ft. from Town roads and 660 ft. from State roads and then they must be screened by a six foot fence. A penalty of \$10.00 per day for neglecting to remove, to be enforced. A \$25.00 license fee required by established junk yards, but they must fulfill above requirements.

In August, elected G. Richard Tuxbury resigned his office as Tax Collector and the Board appointed Beverly Y. LaBrique to fill out the term. After discussing the additional duties to be performed, it was agreed by both the Board and Mrs. LaBrique that additional help in the office would be needed. As the budget was not set up to handle a full time clerk, it was agreeable to Mrs. LaBrique that the balance of the Tax Collector salary and fees be used to pay the added help, for the remainder of the year.

Under the Law it is necessary to print all unpaid taxes as of **December 31st** in the Town Report. We wish it to be

clearly understood that the list in print does not necessarily give a true picture of unpaid taxes to date, for many have been paid at this writing. Also we would like you to especially note that the tax books are in excellent condition due to the conscientious effort of your Board and Tax Collector.

Serious consideration is being given to the installation of two-way radio system in Town vehicles. Many times if the trucks could be reached immediately, time and expense could be eliminated. As the situation exists now, someone has to leave his or her job and go out on the road to try and locate the particular department needed.

Through the cooperation of the State of New Hampshire Highway Dept. a sidewalk was installed on N. Main Street connecting that portion of old Route 3 to N. Main St. The highway crew installed this sidewalk for a cost to the Town of \$103.20 plus hot mix used.

The TRA funds were used to repair the N. Ashland Road this year and we expect to continue on our road repair through TRA again this year.

We would like to commend Mr. Joseph Tanguay on the excellent job he does for the welfare of the Town throughout the summer months in his care of the streets and flag area. Too often one's faithfulness goes unnoticed or unthanked, and we feel he justly deserves public recognition for services rendered.

The Electric Department at the close of the year once again showed a profit of \$19,000.00 plus. The Dept. since 1962, which at that time had \$10,000.00 in depreciation reserve, has accrued \$83,657.88 total reserve at this writing. This reserve was set up and maintained to replace equipment and systems when needed. So far the department has not had to use any reserve as each year the department's income has exceeded its expenditures. This year we plan to replace the electric truck with equipment more in line with what our system requires. We plan to do this within the next year's income so as not to touch the present reserve.

The cost of the street lights was lower than anticipated due to the effective capacitors and the installation of the new type street light. We shall continue with the street light replacement plan again this year and will continue on this project until the entire street light system is up-to-date.

In conjunction with our up-dating policy, we hired men from the White Mountain Power Company to aid our

Superintendent in reconstruction of our distribution system. We plan to continue along this line again this year which will enable the department to better serve its customers with up-to-date services.

The new electric rates made effective as of December 1st show a slight increase but with the elimination of the fuel charge the over all billing amounts to a decrease of .05 per 100 KWH.

At best we had a very good year in the Town of Ashland and we would like to thank everyone for the cooperation given us in the past year.

Respectfully submitted,

Town Warrant — 1966

The State of New Hampshire

To the Inhabitants of the Town of Ashland, in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Ashland High School Auditorium in said Ashland on Tuesday, the eighth day of March, nineteen hundred and sixty-six, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.
2. To see if the Town will approve and adopt the special recommendations of the Budget Committee and vote to raise and appropriate the various sums contained in the report and located in the budget.
3. To see if the Town will vote to authorize the Selectmen to apply, negotiate and do all things necessary to obtain such Federal, State, or other assistance as may be available in the construction of a sewerage disposal system, and pass any vote relating thereto.
4. To see if the Town will vote to raise and appropriate the sum of \$450,000., for the purpose of financing and constructing a municipal sewage disposal system, including sewerage, interceptors, pumping stations, treatment works, and such other related facilities inclusive of land acquisition, easements and rights of way as are required, such sum to be raised by the issuance of not exceeding \$450,000. in serial bonds or notes under and in compliance with the provisions of the Municipal Finance Act (Chapter 33 of the New Hamp. Statutes Annotated 1955 and any amendments thereto) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or note as shall be in the best interests of the Town of Ashland, and pass any vote relating thereto.

5. To see, in the event of favorable action with reference to Articles 3. and 4. above, if the Town will vote to authorize the Selectmen to proceed to advertize and take bids for the project as outlined in said articles only in the case that the Town is assured of receiving construction grant funds for all eligible work in accordance with the following formula: 50% of the eligible costs to be paid by the Federal Government; 40% of the eligible costs to be paid by the State of New Hampshire; and the remaining cost to be borne by the Town of Ashland.
6. To see if the Town will vote to extend the water line at the north end of Thompson Street, from the Cedric Hickey property to the intersection of Thompson and River Streets, such line to be 6" in diameter. (Petitioned by ten legal voters)
7. To see if the Town will vote to raise and appropriate the sum of \$9000.00 for the purpose of extending the water main on Thompson Street, as outlined in Article 6. And to authorize the Selectmen and Town Treasurer to borrow the sum not exceeding \$6000.00, interest free on a two year term note on the credit of the Town from the Ashland Electric Department and \$3000.00 to be raised on the current year budget. (The sum of \$9000.00 recommended by the Budget Committee)
8. To see if the Town will vote to accept the sum of approximately \$1300.00 to be used for the care of the stone work on the John Howe Berry burial lot and the Crimmins burial lot in Green Grove Cemetery. (Requested by Barbara Crimmins Wolfe)

SUMMARY OF FINDINGS AND RECOMMENDATIONS

February 18, 1966

Board of Selectmen
Ashland, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Ashland for the fiscal year ended December 31, 1965, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Water and Electric Light Departments, District Court, Library and Scribner Memorial Fund.

FINANCIAL STATEMENTS

Comparative Balance Sheets:

December 31, 1964 - December 31, 1965:

(Exhibit A-1)

Comparative Balance Sheets as of December 31, 1964 and December 31, 1965, are presented in Exhibit A-1. As indicated therein, the Surplus decreased by \$3,901.08 in 1965.

Analysis of Change in Financial Condition:

(Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decrease in Surplus

Surplus Used to Reduce Tax Rate	\$ 6,000.00
Long Term Notes Issued	15,030.00
Tax Liens Transferred to Tax Deeds	483.13
Decrease in Cash on Hand - Tax Collector	6.36
Decrease in Cash on Hand - Town Clerk	2.00
Tax Collector's Excess Debits (Net)	.81

\$21,522.30

Increase in Surplus

Long Term Notes Paid	\$ 9,010.00	
Net Budget Surplus	8,611.22	
		17,621.22
Net Decrease		\$ 3,901.08

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues:

(Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1965, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of \$5,200.35, plus a revenue surplus of \$3,410.87, resulted in a net budget surplus of \$8,611.22.

Summary Statement of Receipts and Expenditures:

(Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1965, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1965, is indicated in Exhibit B-2.

Water and Electric Departments:

(Exhibits G-1, G-2, G-3 and G-4)

Statements showing the financial condition of the Water and Electric Departments as of December 31, 1965, and the financial activity in these departments during the year, are presented in Exhibits G-1, G-2, G-3 and G-4.

Statement of Indebtedness:

(Exhibit H)

A statement of outstanding long term indebtedness as of December 31, 1965, showing annual debt service requirements, is contained in Exhibit H.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks

were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) increased by \$2,118.92, from \$29,715.28 to \$31,834.20 in 1965, as shown herewith:

	December 31, 1964	December 31, 1965
Total Assets	\$255,444.12	\$264,174.13
Current Liabilities	225,728.84	232,339.93
	<hr/>	<hr/>
Current Surplus	\$ 29,715.28	\$ 31,834.20

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Ashland for their assistance during the course of the audit.

Yours very truly,

HAROLD D. FOWLER, Director
 Division of Municipal Accounting
 State Tax Commission

The Library Trustees are pleased to report a slight increase in circulation and books loaned - both adult and juvenile.

Our thanks and appreciation

To the LaBrique for the aquarium which is giving pleasure to many.

To Mr. Harry Batchelder for his contributions of books and articles for the Historical Room.

To Mrs. Ida Brown not alone for her assistance in the Library when needed, but also for the worthy service she performs providing reading material for those desiring it at the AnRay Home.

And last but by no means least to Mr. Hinds and Mr. Puccetti for their assistance and co-operation always so cheerfully given.

Responding to a request received, the Library will be open on Thursday afternoons from three to five o'clock. This will be known as Elementary Students' afternoon and is solely for their use for study, they being unable to be at the Library evenings. Townspeople wishing to exchange or return books, may do so however.

This is an experiment and will be given a fair trial, the only stipulation being there must be a minimum average attendance of six students. Mrs. Ida Brown will be in charge.

Public Health Report

The following is a summary of the Health Activities for the Town of Ashland, conducted by the N. H. Division of Public Health-Public Health Nursing for the year 1965.

A Tuberculin Testing program was conducted at the local schools in cooperation with the Local School Nurses. A total of 368 Sterneedle TB Tests were given with nine reactors to the test. The reactors were given the Mantoux tuberculin test by Dr. Prince, Director of Communicable Disease Control. All reactors to the test and their families were visited and urged to follow-through with tests or chest x-rays either by their family physician or at the Chest X-ray clinics conducted by the N. H. TB & Health Association at Plymouth.

The Mobil X-ray Unit, under the direction of Edward Jenson, X-ray Technician of the N. H. Division of Public Health, was in the community in the fall of 1965. A total of 254 x-rays were taken at this time.

The State Public Health Nurse investigated all referrals from the N. H. Division of Communicable Disease Control. Arrangements were made for patients to receive treatment and care as necessary. Several other cases were referred to Cripple Children's Clinic, Mental Hygiene Clinic and N. H. Sight Conservation.

The town has a representative on the Pemi-Baker Anti-Poverty Committee to study needs in the town and make recommendations.

A meeting was held with the members of the Local District Nursing Association Committee Officers and Local Public Health Nurses. At this time the changes and qualifications necessary for the association to be prepared to furnish Home Nursing care-under the new Medicare Program were discussed and the necessary forms were turned over to the Association for consideration.

My sincerest thanks to the Public Health Nurses, Local Physician, School Personnel, Local District Nursing Association Committee and any others who have helped carry-out a health program for the benefit of the citizens of the town.

Respectfully submitted,

LOIS B. REED, R.N.
Public Health Nurse, N.H. Division

Report of the Ashland Municipal Court

During the year 1965, 167 cases were entered in The Ashland Municipal Court.

Of these, 86 were criminal cases, 70 were Small Claim cases and 11 were Juvenile cases.

Of the criminal cases, 4 were felonies and following Probable Cause hearing were transferred to the Superior Court.

In the Juvenile department, 7 of the cases were cases of Neglected Children and 4 were cases of Delinquent Children.

The court returned to the Town of Ashland \$786.11 in fines and fees.

Due to the efforts of Rep. Thomas Pryor the town's share of court fines was increased, effective Sept. 1, 1963. Prior to that date the town received the first \$5.00 of a fine and 10% of the remainder. Rep. Pryor, who for 18 years was Justice of this court, introduced a bill in the 1963 legislature to increase the town's share of a fine from the first \$5.00 to the first \$10.00, and from 10% of the remainder to 20% of the remainder.

After an up hill fight on this measure, Rep. Pryor was successful in winning passage of his bill. Every town and city in the State that maintains a Municipal or District Court is indebted to Rep. Pryor for his effort, foresight, and interest in its behalf.

The court is grateful to the Selectmen of Ashland for the fine court room they provided in the Fire Station Building. Many visitors have remarked on its roominess and neatness. Fireman, Henry (Hank) Bates who is the building custodian is to be commended for his fine care of same. He has done a fine job in keeping the court room clean and warm and the outside walk clear of snow and sanded.

Last fall, Commissioner of Safety, Robert (Bob) Rhodes reassigned Trooper Thomas D. Winn to Ashland. The court is grateful to Bob Rhodes for this since Trooper Winn is of valuable assistance to Chief of Police Deane C. Bavis and other law enforcement officers in this area.

Trooper Winn and Chief Bavis are fine police officers. They are most thorough and exacting in their prosecution of cases before the court.

The Municipal Court is an open court and everyone is welcome that is properly attired. This, however, does not hold in Juvenile cases since the hearings are closed sessions.

In conclusion, the court exhorts every citizen to acknowledge his responsibility in the maintenance of law and order. Everyone has a moral obligation to report a crime and to support all law enforcement officers.

It is to be remembered that if the criminal goes free that it is the law that sets him free. When citizens are reluctant or refuse to testify in a case because they do not care to be involved, then the criminal often goes free for lack of evidence. Under our constitution the courts cannot do otherwise.

No one, in all good conscience, can ignore the fact that he is "His Brother's Keeper." The thought, perhaps is best expressed in these words of Edmund Burke; "ALL THAT IS NECESSARY FOR THE FORCES OF EVIL TO WIN IN THE WORLD IS FOR ENOUGH GOOD MEN TO DO NOTHING."

Respectfully,

Hiram Gingras, Justice

Also, much time was put in by members on accidents, basketball games, dances, aid to Town of Loudon, Legion call, traffic at fires, and at beach party.

This past year, with Town appropriated Civil Defense money, we have purchased winter jackets, one radio, first aid kit, and joined the Plymouth radio net. Also, with money we raised ourselves, we have purchased pants, shirts, ties, belts, neckties, whistles, badges, shoulder patches, summer hats, two .38 revolvers, and one .22 revolver for training.

At this time we would like to thank all those that have helped in our equipment drives, and in any other ways.

Report of Civil Defense Director

For Year 1965

During this, my first year as Civil Defense Director, I have learned a little of the many details, wants, and necessities of Civil Defense. There have been a few instances around our area, and this part of the country, some quite close to us, that show the need of medical and nursing, crowd-handling capability, and auxiliary and regular police work.

This coming year I will be in contact with all of the various units of the Town, and try to arrange with them to get training, or further training in their particular line. With the CD training school in the Laconia-Gilford area, we do not have too far to go to get some good schooling. Various courses are given there at scheduled times during the year, and I don't think that it is too far to go for our members. I will notify all concerned as to when these courses are available for this coming year. I hope some of our members will be able to attend some of these sessions.

I have also started proceedings, to see if it will be possible for our Auxiliary Police to use the Plymouth Armory, for pistol training. I have been told that we could use the Plymouth Police Dept. range, but that could cause some inconvenience if anyone was being held there, or if the station should be busy. I would like to see the members of the Auxiliary Police go through a training program that would qualify them according to the requirements of other outfits that do this work, as the New England Police Revolver League or the National Rifle Association. All of the professions and trades have certain requirements to meet, and I think any Civil Defense Unit should also meet certain standards. I think we are on the way to getting a start along this line now.

Respectfully submitted,

Thomas McNamara

Civil Defense Director

The Annual Report of the Planning Board

(1965)

G. Richard Tuxbury chairman of the board submitted his resignation in the Fall. New members appointed were James Rollins, subsequently voted upon as the new chairman for 1966, also Jesse Bartlett, a former experienced member. John R. Smith continues as secretary. Mrs. Bailey, a staff member of Ashland High School was engaged to keep stenographic records for the board at the request of the Economic and Development Commission that accurate records be maintained.

The large "Ashland" lettered sign originally planned to be erected in the spring off Rte. 93 was not accomplished. Due to specific limitation by the Federal Highway Commission, it was impossible to meet their exact footage requirements, and still be seen. The Ashland Chamber of Commerce and the Holderness Chamber spent considerable time perambulating the area for a spot. It is planned to secure a site this year for a sign.

In November 1965, the contract for the "701" Urban Planning Assistance Program was signed, after a very late approval by the Federal Housing Authorities. Our contract was also held up by the State Economic and Dev. Commission due to lack of professional staff to supervise the program for Ashland.

Due to the late approval of our contract on the "701" program prior to November few meetings were held. Many lengthy meetings will be held in 1966 with the planners and staff to initiate the program. A quorum is needed at all meetings for necessary legal action on the part of all members. Non attendance on the part of a few individuals was noted in 1965, but cannot be tolerated for 1966. It is a hindrance to those faithful members who participate in all meetings.

Mr. John Atwood and assistant of the firm of Atwood and Blackwell met with our group several times. The pro-

gram actually began in December. Land use maps previously drawn were introduced, along with other brochures. Interviews have already begun, along with census figures and other data, which have been presented. We urge all citizens to cooperate with the planners, in securing necessary information for their program. It is too early to judge the capabilities of the planning group, but it is evident they have dynamic plans for our town. We certainly need a sophisticated program, as Ashland has all the problems of a large city, and must be solved for future growth.

The completion of Route 93 and our interchange on 93 has been finalized. Our strategic location in reference to the interchange is noted by all. We have the largest interchange north of Concord. We are only two hours from Boston. All traffic going East and West must get off Route 93 and pass thru Ashland. Already many local properties are changing ownership.

Urban planning is certainly needed now, and it is our firm belief that a suitable plan can be accomplished which will meet the majority's approval.

Respectfully submitted,

John R. Smith, Secretary

RECREATION

Ashland Beach-Boosters Association

The Ashland Beach-Booster Association conducts a comprehensive program of activities for the community on a year-round basis and maintains and operates the playground, town beach, with recreation facilities and buildings so as to provide a variety of opportunities for wholesome and interesting use of leisure time for the citizens of Ashland.

RECREATION ACTIVITIES

Personnel

One full-time and one part-time lifeguard, four summer playground instructors, one gate attendant, 1 maintenance man, 1 bus and driver, one concessions stand attendant, and several part-time volunteer leaders and workers.

Children Programs Offered

Organized summer playground with crafts and sports events at the Ashland Recreation Center, swim instruction at the town beach, ski lessons at Gliddens' Ski Tow for all ages, skating and outdoor dancing.

Summer Playground and Beach

A seven week program was conducted at the recreation center, playground, and town beach, including programs of games, athletics, hiking, dancing, swim instructions, and special events.

Attendance: (average daily) Playground - 105; Beach - 325

Year-Round Special Events Offered

Skiing and ski instruction, street dancing, Fourth of July Celebration, Field day and fireworks; Peanut Carnival, skating rink, Novelty parties and public auction.

Areas and Facilities Maintained

Beach-Booster Association Recreation Center, playground, and Club House, picnic areas, town beach, lifeguard residence, bath house, concession stand, camping area, at beach, skating area and warming hut. The skating area has been chiefly maintained by the generosity of the Ashland Fire Department.

School District Meeting, Ashland, N. H.

Minutes of March 10, 1965

In accordance with the School District Warrant, legally signed by the School Board of Ashland, and posted by J. Carlton Beard, Chairman of the Board, on February 18, 1965, the meeting was called to order by Moderator Thomas Pryor at 2:00 p.m. on March 10, 1965, at the Ashland School Auditorium-Gymnasium, and the Warrant was read.

As no one had filed for Clerk of the Ashland School District, on motion it was voted to have Edna Emerson as Clerk. Edna Emerson, as Clerk, and Ruth Morrison, as ballot clerk, were sworn in by the Moderator, and the polls declared open.

Upon motion it was voted that the polls remain open for voting on Article 1 until 8:00 p.m., and at that time the remaining articles be acted upon.

Mary Ruel and Guy Lamond were sworn in as ballot clerks.

At 8:00 p.m. the polls were declared closed by the Moderator, and the meeting opened with prayer by the Rev. William E. Buell, Jr. The Moderator led in the Pledge Allegiance to the flag. The articles of the warrant were taken up, with the following results:

Article 2

Upon motion, duly seconded, it was voted that the District accept the reports of the audit of the General Fund Account, Treasurer, Lunch Program, and High School Activities Account that was made by the Division of Municipal Accounting of the State Tax Commission, and the reports of the Agents of the District as printed in the annual School Report.

Upon motion, duly seconded, it was voted to accept the report of the Cooperative School Study Committee, given by Guy F. Lamond, and place it on file.

Articles 3, 4, and 5

Because the amount of \$48,000.00 necessary to be appropriated for building a two-room addition to the Allen K. Ober Elementary School was submitted without the recom-

mendation of the Municipal Budget Committee, it could not be voted upon. Therefore, upon motion, duly seconded, it was voted to dismiss Articles 3, 4, and 5.

After further discussion on the advisability of the action taken on Articles 3, 4, and 5, the following resolution was read, with motion for its adoption:

WHEREAS, because of the provision of the New Hampshire Municipal Budget Law, no effective action can be taken at this meeting with respect to Articles 3, 4, and 5, as printed in the Warrant for this meeting, and,

WHEREAS, it seems proper that the voters of Ashland School District should be given an opportunity to express their views with respect to the subject matter of said Articles 3, 4, and 5.

NOW, THEREFORE, BE IT RESOLVED that after a decision concerning the proposed Cooperative School District has been reached, that the School Board seek the approval of the State Board of Education and/or the State Tax Commission and the permission of the Superior Court, to hold an emergency special meeting of the District, to provide adequate facilities.

Motion seconded and so voted.

After additional discussion and suggested renovation of old elementary building, it was stated by Mrs. Mary Ruell of the School Board, that the two-room addition under consideration would be a permanently valuable addition and that its need would not depend upon whether or not the Cooperative School passed. If the Cooperative School is not voted, more than a two-room addition will be necessary.

Article 6

Motion that the District vote to raise and appropriate the sum of \$193,006.37 for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the District - this amount being the School Board Budget as printed on pages 138 and 139 of the Annual Report, Town of Ashland, New Hampshire, 1964, less the \$48,000.00 listed under Buildings; \$3,200.00 listed under principal of debt, and \$1,680.00 listed as interest on debt which was for the proposed addition to the Ober School.

Motion seconded. Voice vote indecisive.

Motion made and seconded to vote by ballot. The Mod-

erator appointed George Ober, Jr., Phillip Guyotte, and Bernard Avery as tellers, announcing that a plain majority vote would carry the vote on Article 6, which was re-read in its entirety.

Votes cast - 80; Necessary for majority - 41; Yes - 43; No - 37.

After discussion as to the possibility of misunderstanding of the previous vote - some thinking it has been a vote to approve the School Board Budget item by item - the Moderator took a voice vote with regard to his decision that the ballot vote had carried the motion to appropriate the School Board Budget. The "aye"s were declared the majority.

Article 7

Upon motion, duly seconded, it was voted that the Ashland School District authorize the School Board to make application for, and to accept, on behalf of the District, any or all grants or offers for educational purposes which now or hereafter may be forthcoming from the State of New Hampshire and/or United States.

Article 8

To transact any other business that may legally come before the meeting.

Upon the suggestion that Article 6 could be reconsidered, a motion was made to reconsider Article 6 in order to take it item by item. The statement was then made that only those who had voted in the affirmative could reconsider the Article, so the motion was withdrawn.

A statement of confidence in the School Board and its proposed budget was given by Mr. Philip Morton.

Chairman of the School Board, J. Carlton Beard, recommended appreciation for the faithful work of Lillian Young, who was School District Treasurer for 14 years, and School District Clerk for 20 years; plus appreciation to Norman Weden, for his work as a faithful School Board Member for three years. Members of the School District stood, with applause, in appreciation for these who have served the District.

Chairman Beard also led a rising vote of appreciation for the Moderator, Thomas Pryor, for his work in the Legislature to pass House Bill 195, authorizing the Ashland School Board to decrease the School Board from six to five members.

Article 1

SUMMARY OF FINDINGS AND RECOMMENDATIONS

August 5, 1965

The School Board
Ashland School District
Ashland, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Ashland School District for the fiscal year ended June 30, 1965, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1964 and June 30, 1965, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$14,485.76 during the fiscal year ended June 30, 1965.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures estimated and actual revenues for the fiscal year ended June 30, 1965, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a revenue surplus of \$8,687.69, plus a net unexpended balance of appropriations of \$2,373.08, resulted in a net budget surplus of \$11,060.77.

Summary Statement of Receipts and Expenditures:
(Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1965, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of June 30, 1965, is indicated in Exhibit F.

Statement of Student Activity Accounts: (Exhibit H)

A statement of the Student Activity accounts is included in Exhibit H.

Statement of School Tax Account: (Exhibit I)

A statement of the School Tax account with the Town of Ashland is presented in Exhibit I. As indicated therein, as of June 30, 1965, the School District had received from the Town the total of the 1964-65 School Tax amounting to \$145,765.70. This included a prepayment of \$1,550.00, on account of the 1964-65 tax, which was received during the previous fiscal year.

Statement of Bonded Debt: (Exhibit J)

A statement of the outstanding bonded indebtedness of the School District as of June 30, 1965, showing annual debt service requirements, is contained in Exhibit J.

GENERAL COMMENTS

Current Surplus:

It is noted that the current surplus (excess of total assets over current liabilities) increased by \$9,485.76, from \$1,575.01 to \$11,060.77, during the fiscal year ended June 30, 1965, as shown herewith:

	June 30, 1964	June 30, 1965
Total Assets	\$2,506.36	\$11,903.71
Current Liabilities	931.35	842.94
Current Surplus	<u>\$1,575.01</u>	<u>\$11,060.77</u>

Conclusion :

The provisions of Chapter 184 of the Laws of 1955, require that the summary of findings and recommendations (letter of transmittal) of this report shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Ashland School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting

Report of Superintendent of Schools

To the School Board and Citizens of Ashland:

I respectfully submit my eleventh annual report as Superintendent of the Ashland School District:

Staff

The schools opened in September of 1965 with eight new members of a staff of twenty-four teachers. There was only one new member at the elementary level, as seven of the sixteen in the Junior-Senior High were replacements.

Mrs. Beverly J. Bailey, a graduate of Plymouth State College, and a member of the staff at Linwood High School, replaced Mrs. Erma T. Ahern as Business Education teacher. Mrs. Ahern accepted a position as representative for the World Book Encyclopedia.

Mr. Stephen A. Fairfield, a graduate of the University of Connecticut, is teaching science as Robert B. Foster was released to accept a position in Connecticut.

Mr. Stanley L. Hall, a graduate of Berkshire Christian College, and who has done graduate study at the University of Maine, University of N. H. and Plymouth State College, replaced Mrs. Josephine Hayslip as she was granted a fellowship for further study in guidance at Boston University.

Mrs. Shirley B. Lear, a graduate of Plymouth State College, replaced Mr. Paul Breckell as he accepted a teaching position at Marlboro High School.

Mr. Alan L. Mason, a graduate of the State College, Salem, Mass., replaced Mr. David A. Ross, as a teacher of mathematics in the Junior High School, as Mr. Ross was transferred to the High School level replacing Mrs. Florence Hodsdon who retired in June.

Mrs. Jane H. Moulton, a graduate of Plymouth State College, and a former teacher at Cushing Academy and Meredith, replaced Mrs. Janet Kuhlmeier as teacher of English. Mrs. Kuhlmeier accepted a position at Sanborn Seminary, Kingston, N. H.

Mrs. Gayle A. Staples, a graduate of the University of Maine, was re-elected as a member of the staff as she replaced Mrs. Maureen Nilson who resigned during the year due to illness.

Mrs. Estella H. Boyd, a graduate of Boston State College, replaced Mrs. Ruth Lavine as Special Help and Reme-

dial Teacher in the elementary school. Mrs. Boyd has been a teacher in Boston, Mass., Virginia State College, Grant Elementary, Chicago, Illinois and Roosevelt Jr. High School in New Bedford, Mass.

Additions and Improvements

The cyclorama in the auditorium-gymnasium was replaced and the kitchen area for the school lunch program was rearranged for more efficient working space. Two classrooms at the Ober School, the hallway and classroom in the high school and classroom in the elementary school were painted.

Regional School Study

At the annual School District Meeting in March of 1964 the District voted to create a Cooperative School District Study Committee and the Committee formed a Planning Board with other Planning Committees in the area. The Planning Board continued its study during the past two years, and articles of agreement relating to the formation of a Cooperative School District on the basis of grades 7-12 have been completed. The articles of agreement relate to the formation of a Cooperative District grades 7-12 with the following school districts: Ashland, Campton, Plymouth, Rumney, Warren, Wentworth and Thornton. The basis of apportionment of costs is 75% on average daily membership and 25% on equalized valuation with a proposal for the construction of a new building for grades 9 through 12 and the use of the present Plymouth High School for grades 7 and 8. On the basis of 75-25 Ashland's share will be 21.10% of the cost of operation.

The State Board of Education has given approval of the articles of agreement in accordance with the statutes relating to the formation of a Cooperative School District.

The articles of agreement will be submitted to voters of the proposed Cooperative District the later part of February.

The Ashland Cooperative Planning Committee of Mrs. Raymond Knowlton, Mrs. Glenn Bricker and Mr. Guy Lamond are to be congratulated and extended a vote of appreciation for the many hours spent in pursuing the cooperative study.

Costs

The property tax assessment for the school year 1965-66 was \$137,186.79 which was 65.05% of the total property tax. The median for the state of N. H. is 66.70% and the average is 57.80%. The School District received \$32,274.38

under the State Foundation Aid Program, \$8,083.41 from Sweepstakes Revenue and \$1,546.02 Building Aid.

The cost per pupil as computed by the State Department of Education for Ashland for the school year 1964-65 is as follows: Grades 1-6, \$306.33; grades 7-8, \$414.86, and grades 9-12, \$600.56. The state average for elementary schools was \$328.00, Jr. High 438.00 and high school \$489.00.

The excessive cost per pupil for grades 9-12 is an indication of why the Ashland voters should give a great deal of consideration to the formation of a cooperative venture with neighboring districts as it is very costly to operate a school on a small per pupil basis.

Conclusion

I wish to take this opportunity to commend the members of the Ashland School Board for their continued interest in the many problems pertaining to the operation of the school system.

I also wish to express my appreciation and congratulate Mr. William H. Marston for the excellent job he has done as Principal for the past three years working with his staff to help the individual pupils.

Superintendent of Schools

SUPERVISORY UNION #2

BUDGET

The Supervisory Union Budget for the 1966-67 school year is prorated among the three districts on the basis of the 1964-65 average daily membership and the 1964 equalized valuation as follows:

District	Percentage	Supt's Salary	Office Exp. Sec. Salary & Travel
ASHLAND	19.04%	\$1,808.80	\$1,603.23
INTER-LAKES	67.95%	6,455.25	5,721.63
HOLDERNESS	13.01%	1,235.95	1,095.49
	<hr/>	<hr/>	<hr/>
	100.00%	\$9,500.00	\$8,420.35

The Superintendent's salary for 1965-66 is \$11,500.00. The Supervisory Union's Share is \$9,000.00 and the balance of \$2,500.00 is paid by the State Department of Education.

Principal's Annual Report

The following is the principal's annual report for the year 1965-1966. It is hoped that this information will be of interest and usefulness.

ELEMENTARY REPORT

The enrollment as of February 9, 1966, is as follows:

Grade 1	Present Enrollment	39
	Transferred Outside Ashland	4
	Received from Outside	3
Grade 2	Present enrollment	39
	Transferred Outside Ashland	4
	Received from Outside	2
Grade 3	Present enrollment	30

Grade 5	Present enrollment	34
	Transferred Outside Ashland	5
	Received from Outside	1
Grade 6	Present enrollment	33
	Transferred Outside Ashland	1
	Received from Outside	1

The new school year began with the same organizational structure as was evident last year. The major change was the inclusion of the third grade in the Remedial Reading Program. It was decided that certain youngsters at the third grade level could benefit greatly from special help in reading. This change now means that grades 3, 4, 5, and 6 are currently taking advantage of the remedial reading instruction. The advantages of such a program are already evident. Teachers at the various elementary levels report that youngsters involved in this program are making measurable progress.

Ashland is extremely fortunate to have such services available.

Last year a re-emphasis on reading took place which resulted in several basic changes. Although it is still early to realistically evaluate our progress, it is evident to our elementary teachers that improved reading skills in all grades is apparent. This is most encouraging and shows the advantages of having administrative time to evaluate various aspects of the elementary school curriculum. This takes time and cooperation between the teaching staff and the administration. The Ashland elementary system needs more administrative supervision if the total program is to receive the type of transitional development it really needs. More specialized supervision for the elementary program is imperative at Ashland and should be made available.

Junior High School

The enrollment as of February 9, 1966, is as follows:

Grade 7	Present enrollment	41
	Transferred Outside Ashland	1
	Received from Outside	0
Grade 8	Present enrollment	37
	Transferred Outside Ashland	6
	Received from Outside	0

There are no major curriculum changes in junior high school this year. Our major concern is the lack of proper, adequate space for science, art, music, and social studies. Students in the seventh and eighth grade are still meeting in classes of 41 and 37 respectively in two of their four academic classes. There is an imperative need to create two ability levels in science and social studies for these two grades. In order to do so more space is needed. Teacher turnover has been so great that it is extremely difficult to establish, to say nothing of maintaining, good subject matter transition. Our junior high school has areas that are of vital concern to those of us aware of the academic needs of these students. It is extremely difficult to give these youngsters an adequate exposure to junior high science due to lack of proper facilities and space. Social Studies classes now number so many that individual help and attention is considerably lessened. In these two academic areas students at all levels of ability meet together. It is no small wonder that our teacher turnover has been, and will continue to be, so great at this level. No one wants to teach here long under these conditions. We are simply not meeting the needs. I cannot see how we possibly can under existing conditions.

High School

The enrollment as of February 9, 1966, is as follows:

Grade 9	Present enrollment	26
	Transferred Outside Ashland	1
	Received from Outside	0
	Dropped	2
Grade 10	Present enrollment	36
	Transferred Outside Ashland	0
	Received from Outside	1
	Dropped	1
Grade 11	Present enrollment	19
	Transferred Outside Ashland	1
	Received from Outside	0
	Dropped	3
Grade 12	Present enrollment	29
	Transferred Outside Ashland	0
	Received from Outside	1

There have been no major curriculum changes in the senior high school this year. Our major concern rests primarily with the lack of space made even more pronounced by the partial evacuation of the Industrial Arts Building. Due to this evacuation Ashland High School has had to make administrative changes in scheduling in order to accommodate our existing courses for the rest of the current school year. Due to these changes our high school can no longer be considered capable of offering a comprehensive program.

This will mean, without question, that Ashland will become an approved high school next year with a curtailed program of studies. The implications are serious and are of vital concern to each citizen of Ashland truly interested in what type of educational opportunities are available at the local level. Ashland is no longer capable of providing a well balanced educational program for grades 7 through 12 under present conditions. We are currently involved in a cooperative study with area towns. Ashland's decision is vital. The cooperative formula as it now exists may possess several undesirable features as far as general thinking is concerned. However, it is my sincere belief that the cooperative plan definitely provides for a far better educational program than currently exists. It is hoped that the citizens of Ashland can consider the young people as the most important factor when making their decision.

I wish to thank Mr. Heffernan, members of the Ashland School Board, both past and present, parents and students

for the many fine associations I have enjoyed during my three years at Ashland. I am convinced that Ashland youth need not take a back-seat to any group of young people anywhere. Because of this, I am even more firmly convinced they deserve better educational opportunities. I have greatly enjoyed working with our fine teaching staff and know that Ashland is fortunate to have these kinds of professional people working with their children. I sincerely appreciate the many, many fine things that this community does do for its schools and I can only hope the Ashland Schools can continue to move forward.

Respectfully submitted,
